South End League Continues.

The regular league games in the South End League will extend until about the middle of August, it was announced by Cameron, chairman of the league, at a meeting held last evening. The entry of the Royals, who replaced St. Peter's in the league, together with the number of postponed games, Mr. Cameron said, had protracted the schedule by about two weeks. It was originally planned to conclude this evening.

THE RING.

Downey Wins World Title.

Cleveland, O., July 27.—The Cleveland boxing commission and the local newspapers tonight named Bryan Downey of Cleveland, the new world's middle-weight champion boxer, declaring he won the title from Johnny Wilson of Boston, in the seventh round of a twelve round no-decision contest here tonight, by a knockout.

TENNIS.

Canadians Lose.

Toronto, July 27.—By defeating P. B. Bennett and E. H. Laframboise in the singles matches today, Australian representatives made complete their victory over Canada's best tennis players in the various contests to decide the first round of the Davis tennis cup competition. The Antipodeans have made a clean sweep of the series, taking four singles matches and the doubles. They leave tonight for Pittsburgh where they meet the British quartette challenging for the coveted silverware.

TURF.

St. Stephen Races.

More than three thousand people witnessed the well-contested horse races at St. Stephen yesterday. Following is the summary: 2:12 trot and pace, won by Little Anna S., straight heats, best time 2:12 1/2. 2:25 trot, won by Chimes Tell Jr., three out of five heats; best time 2:20 1/2. 2:30 trot and pace, won by Nutwood (Klinsky), straight heats; best time 2:16 1/2.

New Records.

New records were registered and some startling surprises in heat results were noted at the Grand Circuit, held at St. Stephen, O., yesterday. Following is the summary: 2:11 pacing; purse \$1,000; won by Kokoma George, straight heats; best time, 2:03 1/2.

2:11 trotting; purse \$5,000; won by Jeanette Rankin, straight heats; best time, 2:04 1/2. 2:05 pacing; purse \$3,000; won by Roy Grattan; two out of three heats, best time, 2:03 1/2.

Three-year-old pacing; purse \$2,200; won by Harvest Brook, straight heats; best time, 2:18 1/2. 2:11 pacing; purse \$3,000; won by Jim Brown; two out of three heats; best time, 2:07 1/2, the fastest mile paced this year by a gelding.

2:18 trotting; purse \$1,000; won by Hilda Fletcher; two out of four heats; best time, 2:06 1/2.

The prize winners at St. Columba's picnic, which was held at Grand Bay yesterday, were William Stinson, Miss Williams and Roy Snodgrass. C. G. Lawrence was in charge of the affair, assisted by D. Campbell, J. Semple, Mrs. William Stinson, Mrs. Baird and Mrs. Leggett.

The appeal which Mrs. E. Atherton Smith made at the opening of the Nurses' Home yesterday was a quick response. Mrs. Smith told of the further needs of the home and mentioned in particular a vacuum cleaner. A generous citizen immediately authorized Mrs. Smith to purchase a cleaner at his expense. Among the other needs

which were specified was a gramophone, and Mrs. Smith is confident that somebody will provide this also. A friend who attended the opening has already asked that she be allowed to dedicate a room to the memory of a relative.

A most thrilling rescue was achieved at Gondola Point, on Monday last, by ten-year-old Margaret Matthews, daughter of Prof. and Mrs. W. D. Matthews, who are summering there. A three-year-old girl named Sally Morton toppled over the wharf at the Point, and was carried a considerable distance from the shore by the current. Miss Matthews, who was near, immediately

plunged into the water and, taking the child's clothing in her teeth, soon had her safe on the shore.

An automobile collision occurred last night at the junction of the Sand Cove Road and Lancaster Heights, when a Ford car, driven by H. A. Hamilton, crashed into a large touring car owned by Dr. J. A. McCarthy, twisting the running board of the touring car quite badly, and inflicting a slight cut on the head of a young lad who was with Mr. Hamilton.

A conference of members of the Tourist Association was held yesterday to discuss matters in connection with the publication of a new booklet dealing with the tourist attractions and the natural resources of the province. N. R. DesBrisay, the president, was in the chair. It was decided to ask the boards of trade in every town in the province to assist by sending the required particulars.

SUING MOOSE JAW.
Man Enters Action for Damages for Arrest.
St. Thomas, Ont., July 28.—Action is being instituted against the Moose Jaw authorities for several thousand dollars by George Rice, of this city, who was arrested in June and taken to the western city on a charge of passing a worthless check for \$210 on a merchant of that city. Mr. Bruce was acquitted and is now suing on the grounds of defamation of character and false arrest.

OLD TIME ROWING EVENTS IN ST. JOHN

Notable Races Contested in 1878 and 1874—It was a Long Distance Pull Then.

Rowing conditions are very different today from what they were fifty years ago. Today the amateurs row 8 mile and a half or less, but in old times the four-oared professional crews raced six and sometimes twelve miles. George Brown and Eph Morris rowed five miles in their memorable sculling race at Torriburn, and there was never clear

water between them, Brown winning by half a length.

In 1878, at the great regatta at Torriburn, Robert Fulton stroked the big and crew against the Long Shore crew of Portland, Maine, six miles and won. It was a desperate race from start to finish, but he got out of the four-oared boat into a single scull shell and rowed five miles against John Biglin of New York, winning in the last few strokes by half a length. Biglin was at that time the fastest sculler in the Eastern States, and Fulton won only by his remarkable pluck and endurance. The experts had picked Biglin as a sure winner. In this regatta there was a pair-oared race for imprinted boats with seventeen entries, which was won by Hugh McCormack, then about eighteen years old, and one of his brothers.

The next year, 1874, Fulton was matched to row George Brown on Digby Basin five miles with a turn, and Brown won. The old steamer Scud left St. John the night before the race packed with Fulton's backers, and old-timers who were there say that they certainly made the little town sit up.

Everyone was interested in rowing at that time and St. John was noted for its heavy better. As better, big and small, are sometimes bad losers, it is a good thing that times have changed in some respects, as very little is bet on amateur races, and only amateur racing survives here.
