

### Real Lather

Ivory Soap lathers instantly in hot or cold, hard or soft water. Ivory's lather is thick, copious, lively. It is velvety, soft and soothing to your skin. You can spread it easily over face and body. It neither runs nor dries quickly. Forming quickly, and in abundance, Ivory's lather speeds up the bath and toilet imparting a joy to them which is denied to those acquainted only with the thin, dead, liquid lather of ordinary soaps.

### G. W. V. A. ASK THAT POST-DISCHARGE PAY BE RETROACTIVE

A general meeting of the G. W. V. A. was held last evening in their rooms in Wellington Row. First Vice-President S. C. Tippetts acted as chairman and five new members were received. In the report of the ways and means committee the question of hiring the hall for meetings was taken up, and it was decided to have a fixed rate chargeable for use of the hall by outsiders. This, it was pointed out, was only a nominal sum which would pay only for the heating and lighting during the meeting. It was further decided, however, not to charge the Y. W. P. A. for their meetings in the G. W. V. A. hall. The charges agreed upon last evening can be had from the secretary of the association.

The committee, composed of R. E. Anderson, Joseph Dryden and C. W. Lawson, who were the representatives of the G. W. V. A., that first brought to light the manner in which soldiers' wives were being received from overseas at West St. John, reported that they had brought together the ladies of the different societies and started them on the plan of working up a suitable reception for the wives and children of Canadian soldiers upon their arrival at this port.

A resolution was passed at the meeting to the effect that the St. John branch of the G. W. V. A. ask the dominion government to make a new scale of pay for post discharge and clothing allowance retroactive to all ranks previously discharged. The men under the Military Service Act, who enlisted previous to July 1 last, are given \$85 for clothes while it was pointed out by the meeting that the men who have been overseas three years and were discharged July 1 last secure but \$8 only by which they can purchase a civilian suit. The new scale of post discharge pay is for six months instead of three.

#### CHILDREN ENTERTAINED.

There was a very enjoyable entertainment in the Children's Home, 68

Garden street, last night. More than fifty ladies and gentlemen were present and showed by their frequent applause how much they enjoyed the programme. Mrs. Pestman, the matron of the Children's Aid, presided at the piano. Miss Poole, the assistant matron, was director. The names of those who took part were as follows: Prince Charming, Francis Wood; Cinderella, M. B. Poole;

Cinderella's sisters, Marian Wood and Violet Wallace; Fairy Godmother, Johnny Wood; Herald Douglas, Montfort; Lord Chancellor, Gordon Wright; Miss Tabby, Nellie Phillips; Mrs. Timothy Moonstone, Johnny Woods; Pages, Allan Duce and Lester Knox. In addition to the play there was a flower hoop drill and patriotic choruses. The training of the children for the entertainment was attended to by the matron and her

assistant and the manner in which the children played their several parts reflected great credit on their efforts.

The Rev. I. W. Williamson and Mrs. Williamson left the city last evening for Calais where they will visit Mrs. Williamson's sister, Mrs. Nelson Adams, who has recently suffered the loss of her husband and son through influenza.
