Thin People Can Increase Weight

Thin men and women who would like to increase their weight with 10 or 15 pounds of healthy "stay there" fat should try **Sargol** and note the results. Here is a good test worth trying. Buy a few tablets and a tin of **Sargol** with every meal—for two weeks. Then weigh and measure again. It isn't a question of how you look or feel or what your friends say and think. The scales and the tape measure will tell their own story, and most any thin man or woman can easily add from five to eight pounds in the first fourteen days by following this simple direction. And best of all, the new flesh stays put.

Sargol does not of itself make fat, but mixing with your food, it turns the fats, sugars and starches of what you have eaten, into rich, ripe fat producing nourishment for the tissues and blood—prepares it in an easily assimilated form which the blood can take up. All this nourishment now passes from your body as waste. But **Sargol** stops the waste and does the rest. It keeps the fat producing contents of the very same meals you are eating now develop and pass on to you. **Sargol** is safe, pleasant, efficient and inexpensive. Druggists sell it in large boxes—forty tablets to a package—on a guarantee of weight increase or money back.

To Grow Hair on a Bald Head

BY A SPECIALIST.
Thousands of people suffer from baldness and falling hair who, having tried nearly every advertised hair tonic and hair-grower without results, have resigned themselves to baldness and its attendant discomfort. Yet their case is not hopeless; the following simple home prescription has made hair grow after years of baldness, and is also unequalled for restoring gray hair to its original color, stopping hair from falling out, and destroying the dandruff germ. It will not make the hair greasy, and can be put up by any druggist; Bay Rum, 6 ounces; Lavone de Compose, 2 ounces; Menthol Crystals, one-half drachm. If you wish it perfumed, add 1 drachm of your favorite perfume. This preparation is highly recommended by physicians and specialists, and is absolutely harmless, as it contains none of the poisonous wood alcohol so frequently found in hair tonics.

Woman's Health
and spirits depend upon her digestion and circulation. Sallow skin, pimples, facial blemishes and depression disappear after the system has been cleansed and the blood purified by
