COLD WOULD DEVELOP INTO BRONCHITIS.

bronchitis begins with a tightness across the chest, difficulty of breathing, and a wheezing sound comes from the lungs. There is also a raising of phlegm from the lungs, especially in the morning. This is at first white, but later becomes of a greenish or yellowish color, and is occasionally streaked with blood.

On the first sign of a cold or cough take Dr. Wood's Norway Pine Syrup and prevent it turning to bronchitis, for once bronchitis gets installed into the system it is only a short step to consumption.

Mrs. F. Saunders, Toronto, Ont., writes:—"It is with great success I have used Dr. Wood's Norway Pine Syrup. A little girl had an awful cold which she had to go to her throat and chest, and this she was sleeping one could distinctly hear her wheezing. I was afraid it would develop into bronchitis, so as soon as my husband came home I sent him right away to get a bottle of Dr. Wood's Norway Pine Syrup. As soon as she raked up I gave her a dose and continued it until she became quite better. We only used half a bottle. I will never be without it as I consider it valuable."

Be sure you get "Dr. Wood's" when you ask for it. The price is 25 and 50 cents per bottle. Put up in a yellow wrapper, and three pine trees the trade mark.

FOOTBALL

Fredericton Mail.—The U. N. B. Rugby men already are beginning to think of the season of 1913 and steps have been taken to get an early start when practice begins in September. "Rump" Campbell, at present of Sydney, is to coach the Red and Black and is expected to be on hand before the college year begins. The new coach is well recommended and has had lots of experience.

Captain Melrose has had a letter from Coach Campbell in which an outline of the system to be followed was given to some extent. Spring practice in punting, place-kicking, catching the ball, etc., was advised and probably will be held.

The Celestial City Driving Club at their week-end meeting decided to send eight horses to St. Stephen to take part in the intercity manure races there on Thursday under the auspices of the St. Croix Valley Driving Club.

HOCKEY

Found Sydney Team a Joke.
Quebec, Que., March 11—Quebec's majority of fifteen goals in the series is considered here as a fair indication of the relative hockey mettle of the champions of the Maritime Province League and the N. H. A. champions. Last night's game, which resulted in a 15 to 3 win for the Quebec team, was attended only by a handful of spectators and was considered to be the poorest hockey exhibition of the season.

The game was a joke for the Quebec team, which played offensively and listlessly. When the players felt like scoring a goal, they went in and scored one. The remainder of the time they contented themselves with keeping the puck away from the challengers, and teasing their forwards.

King's College Players.
(Hullfax Echo).
By defeating St. Francis Xavier at Windsor Friday night, King's College hockey team added another to their long list of victories in the Intercollegiate League of this season.

At the opening of the year there were some doubts about admitting King's to the league, but the Kingsmen soon did away with that doubt. Their games in the league, of which they have won five, have resulted as follows: vs. Mount Allison, 5-4; vs. U. N. B., 6-0; vs. Acadia, 7-4. Last night's exhibition game resulted in the easy win of 15 to 3.

It is a strange fact that King's and Technical College, the two institutions with but a moderate number of students from which to choose a team, should have done so well in the league. King's is an exceedingly well in the province. As will be remembered when King's and Tech. met in Windsor, Tech. won.

To properly decide the inter-collegiate championship, however, it would be well if a series of games were played between Tech. and King's at the Halifax Arena.

Quebec Lost Money.
Quebec lost money this season, despite their wonderful record. The receipts from the ten home matches amounted to \$11,841. Against this must be put approximately \$6,000 salaries, \$2,300 for traveling expenses, \$500 to league for permission to play hockey and \$25 per match to go to the N. H. A. sinking fund, and something like \$500 for incidentals, such as skating skates, training requisites, etc., the whole making a total of \$12,500 or thereabouts, and thus leaving a deficit of about \$600.

The deficit was not too serious, however, as the whole making a total of \$12,500 or thereabouts, and thus leaving a deficit of about \$600.

IMPOSSIBLE TO SELECT MIDDLE WEIGHT CHAMPION WITH DIFFERENT WEIGHTS IN THE VARIOUS BOXING COUNTRIES

By TOM ANDREWS

It will be a hard matter to determine a world's middle weight champion while the weights in various countries where boxing bouts are held, vary.

The middle weight class, one of the most important divisions in the boxing world, is without a champion in America and there is no recognized world's champion.

The American weight is, or has been, for the last twenty-five years, placed at 158 pounds ringside, while the European and Australian weight is 160 pounds at three o'clock.

There is no recognized American champion, as there has been a mix-up regarding the same since Stanley Ketchel's death. At that time Billy Papke was considered the next in line, but Billy went to Australia and made a very poor showing, losing to Dave Smith, whom he afterwards defeated, but losing a hard 20-round battle to Johnny Thompson.

The latter made the American limit of 158 ringside and after the contest claimed the title, but he was not given general recognition, probably due to the fact that he was getting to that point where he was ready to retire. Since then Mike Gibbons, Frank Klans, Jimmy Clabby and Jack Dillon, have all put in bids for it, but McGorty, a Milwaukee boy, who was a heavy weight a short time ago, but is now back to the 160-pound mark, and who can make 158 if necessary. Moha was going along splendidly, beating Billy Papke and others in the east, but he took it into his head to lay off awhile and he did. He gave Johnny Thompson a beating a week or more ago and weighed only 168 pounds at the time, and now he is negotiating a match with Ed McGorty for a match over the half marathon route. Jack Dillon is also after both Moha and McGorty and if the three meet there will be some fur flying, for each one is hot after the middle weight honor.

After looking over all we can not help but exclaim that among the real 158-pounders at ringside weight, none are better than Jimmy Clabby.

Of New Britain, which makes an eight instead of a six circuit.

Diamond Sparkles

Dave Motey, formerly of Fredericton, has been chosen an assistant coach for Dartmouth football team. He is expected to join the Philadelphia Athletics in June, however, for the baseball season.

Tom Hanley, one of the New York Giants' recruit pitchers died in Marlin, Texas, the other day after an operation for appendicitis. The news of his death was telephoned to Manager McGraw, who ordered that no expense be spared in sending the body back to the dead player's home in Marietta, O.

To provide the White House with flowers daily and the grounds surrounding it with shrubs and blooming plants in season the United States pays out every year \$12,000.
