HEN MME. FURLONG-SCHMIDT SANG FOR THE HOSPITAL PATIENTS

Carleton Man Recalls Christmas of 191 in Montreal-Grateful, He Goes Hear Her Twice a Week

Excuse me, Sir, but I must tell you of Christmas of 1911, when working in Montreal during the summer, I met with an accident and for two long months I was lying sick at the Montreal General Hospital and on Christmas Day our beds were all rolled in a big hall and the head nurse, Miss Stevenson, (God bless her) told us that Santa Claus was coming to visit us. And what a treat we all got, on that Christmas Day, when Mme. Schmidt appeared and with that good cheerful smile of hers wished us all a very good and merry Christmas and went at the piano and sang us Christmas songs to cheer us up and finished by singing that beautiful ballad, "Molly Bawn." How I, for one, enjoyed it and many of us forgot our sufferings after we had listened to her, and how she come to each of us after the nurses had distributed the Christmas gifts some generous Montrealer had sent to the hospital for the patients in the public wards.

Proud I am indeed that this lady singer is a St. John girl and poor as I am, I go twice a week to see her beautiful face and listen to her grand voice and make my heart feel good . and I hope she will be with us for Christmas.

Thank you Mr. Editor,

Yours respectfully,

PETER REYNOLDS.

MAINE GROWERS ALERT

Do Not Propose to Take Chances of Potato Scab From Canada Presque Isle, Me., Nov. 28—The movement of potatoes from B. & A. R. R. points from Nov. 1 to Nov. 18 was 1, 192,405 bu., bringing the total movement for the season, Oct. 1-Nov. 13, to 3,523,776. As the Maine crop is estimated around 25,000,000 bu., this would show that about 14 per cent. of the crop has been moved. In 1911 the movement to Dec. 1 was only 3,079,212 bu., and in 1912 for the same period, 3,047,101 bu.
