## DRAMATIC STORY OF SHIPWRECK

CAPTAIN LAST TO LEAVE SINKING S.S. REPUBLIC

Scene Off Nantucket Most Remarkable in Marine Annals.

his officers and most of the crew of the wrecked steamship Republic were aid human herioism and scientific margiven a remarkable demonstration today when they landed at the pier of the White Star line from the revenue utter Gresham, A great throng of officers and seamen from the steamships the White Star line in dock, together with three or four hundred spec- made to tow the steamer to the near- where he hid. For a time he sustained tators, were on the dock when Captain est land for beaching, as Capt. Sealby Sealby and his crew stepped down the gang plank. Officers and seamen alike made a rush for Capt. Sealby and lifted him to their shoulders, carrying him the whole length of the dock to the street, while the crowd yelled it- ond officer remained by his commandself hoarse, and stewards from the er's side. An hour later while the self hoarse, and stewards Behind the steamships blew trumpets, Behind the searchlights of the tug Mary F. Scully captain the crowd carried aloft the brave Binns, the wireless telegraph op- were heard from the bridge of the Recrator. Capt. Sealby was carried from the street to the offices of the steamship company on the second floor, where only his earnest protest caused the crowd to cease its demonstration

Few marine stories in recent years the Gresham's lifeboats, in command by Capt. Sealby to-day of the escape of the second officer, Williams, and himself from the Republic The captain would not talk of the collision with the Florida. Capt. Sealby said: "It was about 8 o'clock on Sunday night when the Republic was stilled in the collision between the Republic was stilled in the work of relef is being conducted with energy.

Edmund Billings, representative of the was ordained for the ministry and became curate of Holy Trinity and became curate of Holy Trinity and became curate of London). In 1865 he came to Canada and for some time fulfilled the duties the work of relef is being conducted with energy. the Republic was sinking, and only myself and Williams were on the bridge. was pretty bad. Then I said to Wil- she will probably remain forever. liams: 'Well, well, what do you think about it. Williams?' and Williams answered; 'I don't think it will be a long race. Let us sprint for it. When your are ready let her go.' I looked aft again and saw how fast she was going, and I told Williams to burn a blue light. Then I fired my revolver five times to let the boats around me know that we Crowd Again Testifies to Belief were getting off. Turning to Williams said: 'Let us take to the forward rigging,' and we ran from the bridge to the saloon deck, burning our blue lights as we went, and carrying an ordinar,

When we got to the saloon deck the water was coming in a little aft of where we stood, As we ran forward stern was sinking so rapidly and the incline was so steep that when we to the fore rigging we started to the scenes accompanying it were less for the sun room of the children's ward. The treasurer was directed to send deck. The last I saw of Williams he quadruple execution at Bethune on the first payment for the Daughters of ad crossed the port rail and was hanging over the side. I took to the rigging and went up as high as the feet. I rested there and took out a blue and I then fired the last shot from my revolver. The water had now caught my binocle held my coat down, acting as a sort of ballast. At this time the water was a roaring, seething mass all about me, I was caught in a whirlpool for some time, and I was churned formed of the details of the proceed-around until I came to the surface. I ings, while the windows of houses over-bers. The meeting then adjourned, to tried to pull off my coat, but could not. looking the square were jammed with meet the third Monday in February. ne, and I managed to catch hold of some broken spars. Then I caught a Danvers, who had cruelly shot an aged large hatch covering, and I pulled myout on it and lay on it, spread eagle fashion. I was getting weak, cold and numb. I just lay on the hatch and saved myself until the last, shouting at intervals. Then the lights played on me and I waved a towel which I had found floating near me, and shortly after the boats from the revenue cutter picked me up and carried me aboard. I

found Williams in that little lifeboat I thought I had seen the last of him." Capt. Sealby praised in unmeasure terms the courage and pluck of the Re public's passengers, officers and crev and operator. He will make his report of the accident to the officers of the White Star Company some time to

Second Officer Williams said when he found himself in the sea he seized two pieces of floating grating and held himself up between them until picked up by the revenue cutter's boat.

Officer Williams said: "They found me before they picked up Capt. Sealby, and when the captain was taken arms around me and said: 'You were game to the last."

Story of Rescue. New York, Jan. 26 .- Within considerably less than 72 hours after the rash between the ocean liners Repubic and Florida, off the Nantucket ants of his plantation, who, it was to the bottom and reduced the other to expressed the intention of whipping. an almost helpless state, the survivors of the thrilling accident have found a haven at last. At nightfall last night 1,650 passengers from the two vessels were safe in this port, brought here by the Baltic, while nearing it were the rescued officers and crew of the Republic safe on board the derelic destroyer Seneca, to which they were transferred from the revenue cutter resham, after staying up to the last moment by their sinking vessel. At the dock in Brooklyn was the battered Florida, aboard which her crew had remained throughout her trying experiences. Only the ill-fated Republic vas wanting to complete the list. She

efficiency that was shown and the aid that modern science was able to render in the most critical of situations becomes strikingly clear.

Sixteen hundred and fifty persons, passengers on the Republic and the Florida, whose lives were in jeojardy for hours while the call of wireless telegraphy was gradually bringing aid earer and nearer to them, reached New York on the steamer Baltic, No argosy of the olden days, bringing golden treasure, was ever more welomed. Frenzied cheers from the thou sands at the pier when she was docked, greeted her arrival, tears of thankfulness were shed, affectionate greetings were exchanged, and only here and there a note of sadness heard. Five fatalities had marked the tragedy as not without its toll in human lives, but New York, Jan. 26.—Capt. Sealby and of those dread scenes of anguish that would have been enacted had not the fortuitous circumstances pressed into vels there was hardly a suggestion.
When the Florida reached her dock it was learned that three, and not four,

of the crew had been killed when the steamer collided. thought that she could be saved, but the steamer's bulkheads were unable to withstand the pressure, and at 7 o'clock Saturday night Capt. Sealby himself refused to leave, and the secwere playing on the scene, two public, two blue lights were burned and then the bow of the doomed ship in the cemeteries. shot up in the air, and the great liner sank stern first. Just before she went down Capt. Sealby climbed the mast, while his second officer jumped from
