CHATHAM, N. B.

Wednesday. 29th Aug the Halifax Herald the Moncton the Halifax Herald the Moncton Times, etc., have made the Premier the object, or that Mr. Mackenzie's deportment and utterances have conbe begin the bea he remains in the Provinces by the trade doctrine of Richard Cobden, and districts, they confine themselves solely sea the greater seems the desire of finally of Sir Robert Peel before his ex- to the necessity of protecting the manuthe public to show him that attention pulsion from office. We believe that the policy of the Mother Country which is position, as the First policy of the Mother Country which is now upheld and advocated by Tory and leader of the Opposition,

Minister of the Crown and his record Whig administrations alike, is the policy

him to. Even those who have been taught that the presence within the that is consistent with our advanced sound of his voice—to say nothing of the exercise of their duty as citi-zens in extending public courtesies calculated to do themselves honor— Istion promote the interests of a few parties, or of a particular class, —that we a duty on the grain and flour coming from other countries, in order that our and there due to the quality of the Commission, should be valid, so that the Americans will probably make that a strong point towards and there countries, in order that our and there due to the quality of the Commission, should be valid, so that the Americans will probably make that a strong point towards and there countries, in order that our and there due to the quality of the Commission, should be valid, so that the Americans will probably make that a strong point towards are and there countries, in order that our and the probably make that a strong point towards securing their own way.
 In other words, when the crops are poor the assertion that it is possible by legislation to make all the people rich with of the community, we have the people rich with the man store and the construction of the community, we have the people rich with on the excessaries of life, will be compelled to pay more for them than he otherwise word. Sin, and the portion of most interest is that relating to the war.
 The Call to St. John's Church, Chathan, was next taken up, Mr. Wilson re-accord ling with we corresponding on the toward that the real object that the head preached ther caccord in the community, we have the ence option at the exception of the advertisers is exposed it is to be indparent to a structure of the advertisers is exposed it to with the man was next taken up, Mr. Wilson re-accord ling with we corresponding on the community, we have the ence option of the advertisers is exposed it to with the man was next taken up. Mr. Wilson re-accord ling with we corresponding on the toward the the hall preached there according to the advertisers is exposed it to with the man was next taken up. Mr. Wilson re-accord ling w calculated to do themselves honor— will be remembered by "a party of might make manufactured goods dearer, farmers should get the full benefit of the gentlemen" as well as by the " Left and therefore give larger prices to the high prices that would have to be paid. gentlemen" as well as by the "Left Centre" as an offence not to be for-immufacturers for a short time. But I do deny the assertion that it is possible by in the Dominion of Canada, so as to progiven, are beginning to realize when deny the assertion that it is possible by the duce less than our own actual consumption of duce less than our own actua there are such excellent prospects be-out making anybody pay for it. (Laugh-of cereals, then he wants to impose a duty

fore them of learning something, to ter and cheers.) Unless we can protect so that the poor man who has to purchase brave the threatened wrath. On Friday last the Premier was at Windsor, en route for the Pic-nic at alike that is by a general rise in the prices Britian, it is
