### PORTLAND BOWLERS IN HIGH RUNS

(Portland Argus, Oct. 26.) "Pete" Pride is still leading the field in the big \$50 prize race at the Monmouth Square alleys, but lots of things may happen before the contest closes at the bowling headquarters on the evening of December 23, all the stars putting in all their spare time during the week. Pride has a handsome total of 1358 at the present time, but at the rate the fellow is travelling he is very apt to boost this figure before the race ends. Fred Hooper is runner up and he has a nice total of 1319, while Hanson is third down, only eight timbers behind Hooper. The scores of the six high men in the contest to date are as follows:  
Pride—144 141 137 134 125 135 132 123 124 129—1358  
Hooper—126 127 146 123 137 126 130 133 123 129—1358

THE ATHLETICS

### The Score Was 13 to 2, and an Idea of the Baseball Slaughter Can be Gathered From the Fact That the Athletics Scored Seven Runs in One Inning and Five in Another -- Yesterday's Game Completes the World's Series.

Philadelphia, Pa., Oct. 26.—Philadelphia Athletics, champions of the world for the second successive year, in an exhibition of batting seldom seen in a premier baseball series, the American League team this afternoon defeated New York in the sixth game of the series by the overwhelming score of 13 to 2, thus giving them the four necessary games out of the six played to carry off baseball's greatest feat. It was more than a mere defeat for the Athletics it was a rout. Philadelphia is celebrating tonight as it never has before observed a great baseball victory. To defeat New York is revenge for the trouncing the National League gave them in 1905 was almost as pleasing to the Athletics as winning the world's championship itself. With the victory goes sixty per cent. of \$127,910.61, or \$76,746.37, of which each Athletic player will receive \$3,664.59. The losers will receive the remainder, \$51,164.24, or \$2,456.59 for each New York player. The batting machine that the Athletics gave was one of the finest exhibitions of offensive playing seen at Shibe Park in a long time. Coming from behind after New York had scored one run in the first inning, the Athletics tied the score in the third

### JACK COOMBS BADLY HURT

Philadelphia, Oct. 26.—Jack Coombs, the brilliant Athletic pitcher is in bed at his home in this city with serious internal injuries. In the sixth inning of yesterday's game at New York, he wrenched his intestines. Today his condition is so much worse that his physicians called in two other doctors. They succeeded in reducing the injury and said no operation will be necessary. Coombs, however, will be in bed for a week and will have to wear a truss for some time. He will be able to pitch again next season, the doctors say.

### Edison's Enthralling Social Drama "THEN YOU'LL REMEMBER ME."

This is an exquisite story based upon that famous air in the opera "The Bohemian Girl." Sidney Booth takes the leading role and there are shipwrecked, washed ashore, blank strong playlet. Certainly one of the best films ever shown.

### AN ELEPHANT HUNT IN AFRICA

Taken by Pathé world's photographers in the Victoria Nyanza section of Africa. A wonderfully interesting pictorial trip in the jungle after monster game.

### "THE SILENT TONGUE"

A very clever bit of satire upon the alleged conversational abilities of the gentle sex. Something clean and original that brings laughs in spite of oneself.

### "A TENNESSEE LOVE AFFAIR"

In this picture the whole story hinges upon the accident that happened to one of the sons of ill-tempered neighbors. It was one of those hunting mishaps and a great deal of misunderstanding arises until the truth is known.

### ENTRIES FOR DUNLOP TIRE TROPHY RACE

The twenty mile bicycle road race for the Dunlop Tire trophy will be held on Monday afternoon, Thanksgiving Day. This race, which has become an annual event of importance in sporting circles, promises this year to eclipse past ones. Already considerable interest and enthusiasm have been shown in the race, and no doubt the event will be followed with interest on Monday. The entries for the event closed last evening, and the entrants who have signified their intention of competing are fast ones in this particular mode of locomotion. The three Maritime Provinces will be represented in the race, so that the event will be of more than local interest.

The participants in Monday's race are—Joe Foote, under the colors of the D. B. C. A., Dartmouth, N. S.; W. A. Moir, (Wanderers Club) Halifax; Nelson Winchester (Abegweit), Charlottetown, P. E. I.; T. C. Oulton, Amherst; W. H. Smith (E. D. C.), St. John, and H. M. Cochrane, Bloomfield, N. B.

The race will start at 2:30 from the Every Day Club house, Union street, and the course will be from there to Robbsey and return to the starting point.

The officials chosen for the race are, Referee, Chief of Police, W. W. Clark; starter, Arthur McHugh; timers and judges, W. Campbell and R. A. Watson. Through the courtesy of the J. A. Pugsley Automobile Co. a car has been placed at the disposal of the officials so that they may follow the racers on the course.

Should the weather prove favorable, the race will be followed by a large number. The contestants are said to be speedy ones, and with the valuable prizes as an incentive, they should give a good account of themselves and provide excellent entertainment for the holiday.

### ASSOCIATION FOOTBALL

At a meeting held last night the St. John Association football team made arrangements to go to Fredericton to play the R. C. R. football team on Thanksgiving Day. An interesting game is expected as the soldiers have been practising hard of late. The St. John team will have a work out on Saturday afternoon all the players are expected to be in hand. The team will be picked from the following players: G. Spearman, A. Spearman, J. Galt, G. Ferris, J. Dillon, W. Coulls, J. Telfer, J. Miller, J. Wilson, Peebles, J. Marsden, W. H. Marsden, and J. WAGNER HEADS FIAT GRAND PRIZE TEAM

Louis Wagner, perhaps the equal of any automobile driver in the world, is to have a place in the Fiat team in the Thanksgiving Day. He is not a driver, but he will not drive. It is improbable that he will even be in America for the running of the classic contest.
