Many women are kept in a state of fear of death, become weak, worn and miserable, and are unable to attend to their household, social or business duties, on account of the unnatural action of the heart.

To such sufferers Milburn's Heart and Nerve Pills will give prompt and permanent relief. They do this by their calming, strengthening and invigorating action on the heart, causing it to beat regularly and naturally, and in addition to this they tone up the whole nerve system.

Mrs. J. Day, 234 John St. South, Hamilton, Ont., writes: "I was so run down with a weak heart that I could not even sweep the floor, nor could I sleep at night. I was so awfully sick sometimes I had to stay in bed all day as I was so weak. I used three and a half boxes of Milburn's Heart and Nerve Pills, and I am a cured woman to-day, and as strong as anyone could be, and am doing my own housework, even my own washing."

"I doctored for over two years, but got no help until I used your pills."

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Great Chemist Praises Zam-Buk

Mother's Who Use This Famous Balm Have Backing of Science

Mother's who use Zam-Buk, because they have proved it to be a splendid healer, will be interested to hear the result of a test of Zam-Buk by Mr. W. Lascelles Scott, the great English chemist. He says:—"I have made an exhaustive analytical examination of Zam-Buk and find its active constituents are of exclusive vegetable origin. It contains none of the impure and irritating mineral drugs and animal fats present in ordinary ointments. The antiseptic and bactericidal (germ-destroying) powers of this preparation are proved by my tests to exceed those of carbolic acid, yet Zam-Buk neither cauterizes nor inflames even a very sensitive skin, but ends skin disorders. I have no hesitation in certifying the purity of Zam-Buk and its value for skin diseases and disorders."

Mother's who have not yet tried Zam-Buk should profit by the above. Zam-Buk is unequalled for eczema, cuts, burns, ulcers, running sores, skin cold sores, abscesses, chapped hands, etc. All druggists and stores sell Zam-Buk at 50c. box, 3 boxes \$1.25.
