# POOR DOCUMENT

THE SEMI-WEEKLY TELEGRAPH, ST. JOHN, N B., MAY 17, 1902.

The death occurred Tuesday morning under particularly sad circumstances of Mrs. Annie Louise Murray, wife of Issate B. Murray was formerly Miss Northrup, but had lived from childhood with her aunt, Mrs. Robert Dibblee. She was but 23 years of age and a bride of less than a year. On Sunday afternoon the deceased contracted a sudden cold which, in a few hours, developed into congestion of the lungs. The same evening she gave birth to twins, one of whom has since died. Mrs. Murray was a consistent and faithful member of St. James Episcopal church and news of her James Episc

William F. Smith, Woodstock.

Woodstock, N. B., May 18 (Special) - Wm. F. Smith died from pneumonia this afternoon in the 72nd year of his age after an illness of only a couple of days. The widow and one daughter, Miss Ella A., teacher in the grammar school, survives. Mr. Smith was a native of Fredericton. On the death of a sister a few years ago the Smith block in the business part of that city, came to his possession.

Mrs. James McKiel, Long Reach.

Mrs. Matilda C. McKiel, wife of Mr.

James McKiel, of Long Reach, died Tuesday, in the 72nd year of her age, leaving her husband, a son. Alfred P. McKiel, and a daughter, Mrs. Fullerton, to mourn.

Interment will take place today at death rays meanwaight from which she suffered by the some time but the immediate cause of death rays meanwaight from which she suffered by the suffer

Sudden Death of Mrs. Cora Nevers. Woodstock, N. B., May 14—(Special)—Another sudden death occurred early this morning, when Miss Cora Nevers, of this morning, when Miss Core Nevers, of Grafton, passed away. At 10 o'clock last night she petired in her usual good health, ocupying the bed with her mother. At midnight Mrs. Nevers was awakened by hearing the cry "Oh, mother," from her daughter, but on examination showed she had expired instantly. A doctor promounced the cause of death to be the forming of a clot of blood at the heart-Miss Nevers was the eldest child of Mr. and Mrs. George Nevers and was 26 years and Mrs. George Nevers and was 26 years of age. She was an earnest worker in the Young People's Society of Christian Endeavor in connection with the F. B. church. Her parents—two sisters (Lilian and Winnifred), and a brother (Albert), survive. The interment will take place at 2.30 tomorrow in Grafton.

Hon. A. F. Randolph. Fredericton, May 14-Hon. A. F. Randolph, who has been ill for some time and whose death has been expected hourly, died this afternoon. Besides his wife, he leaves three sons and two daughters. The sons are A. H. F., Robert F., and Charles, all interested in business with their father in the wholesale provision firm of A. F. Randolph & Sons, and in lumbering. The two daughters are Mrs. D. I. Vernon Eaton, and Miss Nellie Randolph, at home. R. F. Randolph is married to a daughter of Hon. A. G. Blair.

Archibald Fitz Randolph, one of Fredericton's leading citizens in financial, mercantile and manufacturing interests, was born at Digby (N. S.) on July 24, 1833. He was the son of James H. Fitz Randolph and Charles ons are A. H. F., Robert F., and Charles,

Ottawa, May 14-(Special)-Hon. James tional aids to navigation or improvements to existing aids are required. Entering the St. Lawrence by Cape Race, or what is known as the southern route, the follow-

At Cape Race, a quick flashing light is to be established and the whistle changed

to be established and the whistle changed to syren.

At Cape Pine, a first rate light and fog signal will be established and as this is in Newfoundland, it is proposed to invite the imperial and colonial governments to co-operate with the dominion authorities. The light and signal at Cape Ray are to be improved and the fog alarm at Cape Rosier is to be strengthened and the light made occulting.

Entering the St. Lawrence by the Strait of Belle Isle, or northern route, a new light and fog alarm will be placed on the northwest end of Belle Isle.

At Cape Bauld, or Cape Norman, one of the fog alarms will be changed and a light ship will be placed at the east end of Anticosti.

Between the point where the two routes above mentioned join, namely Faine Point and Quebec, a number of improvements are contemplated.

## LEWIS NIXON GIVES UP TAMMANY LEADERSHIP.

retain his self-respect if he remained as leader.

The meeting of the district leaders was called at the solicitation of Mr. Nixon The meeting of the district leaders was called at the solicitation of Mr. Nixon followed a deadlock at the meeting of the sachems of the Tammany Hall Society Monday when Nixon's intention of retaining Thomas L. Feitner as grand scathem was frustrated by a tie, there being six of the sachems of the 13 for and 6 against the retention, the thirteenth, George C. Clausen, being absent. The action of that time caused a general disconsion of the possibilities of Mr. Nixon is an interview on Tuesday, said if he could not have the combination headed by John J. Carroll ousting him. Mr. Nixon, is an interview on Tuesday, said if he could not have the confidence of the leaders he would "get out" and this threat has been carried into effect.

# ANOTHER STEAMSHIP

Man Who Got the International annual session in October the funds of the grand division would be in that state to allow those two valuable auxiliaries a sum, Man Who Got the International and Albany.

New York, May 15.-The Herald will

Charles W. Morse completed a deal a few days ago in which he secured control of the People's line, the Hudson River steamboat line running to Albany.

Mr. Morse has lately turned his attention to local water transportation lines and it was only a short time ago that he had severed eartral of these or four casts.

had secured control of three or four coast-wise properties of New England, which have since been consolidated into the Eastern steamboat line.

A REMARKABLE STORY.

Col. Evans Said to Have Asked That Col Merritt Be Recalled from South Africa.

Toronto, May 15-(Special)-The Tele gram gives prominence to the following item: "It is understood that Colone Evans, commanding the second C. M. R. in South Africa, has asked that Colonel Merritt, second in command of the regiment, be recalled. In the meantime, Colonel Cameron, who was junior major, has been given the place of Colonel Merritt. The matter is now under consider-ation of the minister of militia. The reasons which are given by Coonel Evans are said to be of rather peculiar if not startling character. It is said that upon arrival in South Africa, Colonel Merritt endeavored to get himself promoted so he would be senior to Colonel Evans, and also tried to get the name of the regiment

Nicaraguan Canal Negotia ions. Washington, May 15.-The negotiations between Secretary Hay and the ministers from Colombia, Nicaragua and Costa Rica, looking to the acquirement of the necessary rights for the construction by the United States government of either the Panama or the Nicaragua canal, have been concluded and the agreements were sent to the senate this afternoon. They are engagements to enter into treaty relations with the United States upon the basis therein stated after congress shall have selected a route and the president shall have been duly authorized. In the view of the department, therfore, these are not, technically speaking, treaties, but in the view of the other negotiations, they are practically conventions of treaty character and are so regarded by them.

Grand Worthy Patriarch Tilley's report was a brief statement of the work done by the grand officers. It told of the visits paid and of the conditions of the various divisions. From all these sources came satisfactory statements.

With regard to the recent decision of the provincial government determining its attitude toward the prohibition petition, it was felt that the day was not far distant when public sentiment would be so impressed that political representatives would be forced to respond to the wishes of those they represented. been concluded and the agreements were sent to the senate this afternoon. They

> Fact That National Mutual Relief Society in Connection With the Order Has Ceased to Do Business Was Referred To--Reports of the Officers.

Monoton, May 13-(Special)-The Grand Seribe A. J. Ametrong, P. G. W. M. E. McCarthy, G. S. of Y. P. W. J. I. Kier-

was the reading of reports. A resolution with the request for prohibition. The resolution expressed the opinion that the government would have been justified in passing prohibitory legislation and because of their refusal were unworthy of support of all prohibitionists. This was adopted after discussion.

The evening session was occupied principally in hearing and discussing reports of the committee on the state of the

of the committee on the state of the order. A resolution of condolence in re-ference to the death of Rev. Job Shenton was adopted.

Following is a condensed report of Grand Treasurer Thos. H. Lawson's finan-

The grand scribe's report told in detail matters affecting the order. There are now on the books of the grand division, 46 divisions. From reports received from divisions, these statistics are gathered: 

dormant for three years, was resuscitated on January 11th, 1902, by former Deputy B. W. Fox.

In juvenile work there had been several bands of hope organized.

The two district divisions were perform ing their work faithfully and well, but were crippled by needs of funds for propagation work. It was hoped that by the

as was formerly done.
Since the annual session, the grand worthy patriarch and grand scribe had visited many of the subordinate divisions. visited many of the suportmant divisions. Concerning the general state of the order, it could be safely said that conditions were improving. Although the increase in membership had not been large, there was no reason to become discouraged, and just as much justification in believing that total abstinence for the individual, and

prohibition for the country was the bes

of enthusiasm. Temperance people all over Canada were being brought face to face with many difficulties. The brethren in the west had had their hour of trial. Ontario would shortly experience the same and in the east it was felt conditions were not much more fortunate.

The local government had just made answer to the prohibition association of New Brunswick with reference to the petition for a provincial prohibitory law. petition for a provincial prohibitory law. The government's answer was to the effect that they could not see their way clear to place such a law on the statute books. Notwithstanding all these reverses, the temperance people had confidence in the justice and greatness of their cause, for they had the knowledge that no great and mighty reform had everyet been accomplished without great and mighty opposition. They would continue to press floward until their hopes and ambitions were realized. ambitions were realized.

Of deaths since the last annual session,

that of Past Grand Chaplain Rev. Joh Shenton was the only one the division had been called on to mourn. The grand worthy, patriarch paid a tribute to his The grand scribe also made reference t

the fact that the National Mutual Relief Society of the Sons of Temperance of North America had ceased to do business He expressed deep regret at this, but said that the members of the order had not supported it as they should have done.

### WHAT BRITAIN WILL DO.

DISTINCTION DRAWN BETWEEN BRIT-

Mr. Balfour Sets Out the Position in the Commons--Mr. Dillon Tries to Move Adjournment on the Point of Distinction, But Motion is Rejected.

London, May 15-In a statement in the the relief of the sufferers in the West Indies, the government leader, A. J. Balfour, referred to the opening of the relief fund at the Mansion House by the lord mayor, Sir Joseph Dimsdale, in behalf of the sufferers of St. Vincent, and said that Canada, Jamaica and the other West India Islands and the Island of Mauritius in the Indian Ocean) had promised to thelp with money and good. "I have no doubt," he added, "that it other colonies will be equally generous. In addition, the governor of the Windward Islands has been authorized to spend whatever sums the progressive and the imperial government.

are necessary and the imperial government is preparing to supplement the contribu-tions from other sources to whatever extent may be necessary.

"As regards the Island of Martinique, Lord Lansdowne (the foreign minister) May 12, had instructed his majesty's ambassador at Paris, Sir Edmund Monson, to say that it would give the government great pleasure to offer assistance in any manner most convenient to the sufferers from the calamity, and to say that if this country could help by the loan of doctors or the gift of medical comforts and provisions, that we were prepared to act forthwith. The French government replied, accepting with gratitude the offer of his majesty's government. From the nature of the case there must be a distinction between our own colonies and tent may be necessary.

nature of the case there must be a distinction between our own colonies and those of another power in the expenditure of money. But the government, as stated, is prepared to give comforts and provisions to sufficers at Martinique?"

John Dillon (Irish Nationalist) who first taised the question in the house Tuesday and, suggested that the authorization to the government of the Windward Islands to spend money bought to be extended so as to provide for the relief of Martinique sufferers, as he considered it would be most unfortunate if a distinction was made, tried to move an adjournment of the house on this point, but the motion of the house on this point, but the motion

was rejected.
Capitalists are somewhat slow in subscribing to the Mansion House fund. Up to this afternoon only £5,000 had been received, of which the Bank of England contributed £1,000 and the corporation of London £500. St. Paul's cathedral and of London 2000. The transition of the collections next Sunday in aid of the fund. The colonial office here has not received any telegrams whatever in regard to the disaster since those cabled yesterday.

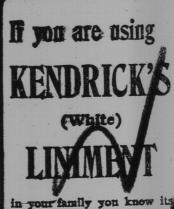

Have Found Treasure Island.

San Francisco, May 14—The "treasure island," for which an expedition started from this port last December, on the schooner W. S. Phelps, has been reached in safety, according to a letter received in this city from a member of the party. The writer says gold was found in the good on the seathers and also that quarts. sand on the seashore, and also that quartz discovered on the island is supposed to the gold-bearing. The location of the island is not stated. As the letter was posted in Ecuador, it is surmised the rich island is on the coast of that country.
