IS THE CONSTANT CARE OF EVERY YOUNG MOTHER

The young mother has a constant care in looking after the welfare of her little ones. Childhood aliments come on so suddenly — sometimes without a minute's warning — the mother may have a very sick baby on her hands before help can be obtain-ed. That is unless she has a remedy in the house which she can safely give the baby for any of the many minor ailments of babyhood

Such a remedy is found in Baby's Own Tablets. Thousands of mothers throughout the country always keep a box of the Tablets on dand and they proclaim them to be without an equal for sweetening haby's stomach; regulating his bowels, and thus driving out constipation and indigestion, colds and simple fevers, and making the dreaded teething period easy.
