## Mercantile Summary.

S. D. Walker & Sons' general store  
at Algonquin, near Brockville, was on  
the 28th ult. destroyed by fire, together  
with the Bell telephone office and the  
Public Library. Total loss was \$3,500,  
insured for about one-half. The origin  
of the fire is attributed to incendiarism.

An order-in-council has now been  
passed by the Dominion Government  
granting permission to Mr. E. W.  
Backus to build a dam at Fort Frances  
across Rainy river for the purpose of  
developing electric power. Considerable  
opposition in the Senate was put up  
against the scheme on account of the  
proposed comparatively small amount  
of power to be furnished for the Cana-  
dian side, but the original plans now  
stand approved.

Louis Flam, for the past eighteen  
months keeping a small general store  
at Blackville, N.B., has made an assign-  
ment of his estate. He was formerly a  
peddler in the district. From Pa-  
quetteville, N.B., is reported the failure  
of S. Theriault, a farmer, who also did  
a limited store and peddling business,  
and whose liabilities are reported at  
about \$1,000.—Mrs. J. H. L. D. Cor-  
mier, keeping hotel at Buctouche, in the  
same Province, is compromising at 25  
cents. She was burned out in June last.

Several failures in the Montreal re-  
tail grocery trade are reported as fol-  
lows: A. A. Perry, a leading dealer in  
the suburb of Westmount, is said to  
have compromised at 25 cents on the  
dollar, owing about \$9,000 of mer-  
chandise liabilities and \$5,000 advances  
from relatives. Perry failed once be-  
fore, in 1876, and then clerked for a  
time, resuming business in 1890.—  
Samuel Smith, formerly a clerk of the  
above, and in business on his own ac-  
count a few years, has assigned, owing  
about \$3,000. His failure is attributed  
in some measure to complications with  
D. H. Rennoldson, wholesale grocer,  
reported in last issue as insolvent.—T.  
Bouchard, in a small way of business,  
has made an assignment, and offers 25  
cents on the dollar.

We learn from the Detroit Free  
Press of a purchase by the Michigan  
Steel Boat Co. of the old Detroit  
United Railway car barns property on  
Jefferson Avenue from the Olds Motor  
Works. About 700 men are expected  
to be employed in building steel and  
wooden boats and canoes. Stock is on  
hand with which to build wooden  
canoes. About 2,000, perhaps, to be  
turned out for the 1906 season. The  
Detroit corporation recently bought out  
W. L. Luke & Co., of Oldtown, Me.,  
and the business will be moved to De-  
troit. The Michigan Steel Boat Co. has  
for some time been manufacturing auto-  
mobile bodies, which will be continued.  
This company's beginning was at Kala-  
mazoo several years ago. It was bought  
and incorporated in 1902, when the plant  
was moved to Detroit and located at  
1250 Jefferson Avenue.
