We are glad to note the improvement

made in the appearance of our streets

this week. The grass and weeds have

been removed from the gutters on Main

street and the street is now clean and

tidy.

Mr W. W. Robson was in town this

week and made some photographs of the

old French coffin and the other relics of

which Mr L. E. Duncanson has probably

one of the best collections in the Province.

These photos should sell like hot cakes.

Bananas 20c. a Doz. at F. J. Porter's.

The death occurred on Tuesday morn-

ing of Mr Arthur E. Murphy, one of the

most popular young men of Wolfville.

The deceased was a son of Mr Lewis A.

Murphy. He was 29 years of age, and

had been ill for about a year. He leaves

a widow and two children. The funeral

took place on Wednesday and was lar-

ge attended. The exercises were con-

ducted by Rev. Dr. Higgins. The firm

company, of which the deceased was a

member, was highly respected and

attended, wearing the mourning badge.

The ACADIAN joins the community at

large in heartfelt sympathy for the

bereaved family.

The proprietors of Evangeline Beach

are doing all in their power to make it a

pleasant resort for those who patronize

it. The splendid beach, convenient bath-

ing houses and restaurant, and the drive

through beautiful and historic Grand

Pre, make it a delightful resort of en-

joyment. Numbers of tourists and

townspeople are every day conveyed to

and fro, all of whom express themselves

as delighted with the bathing facilities

and excellent accommodation afforded by

the genial and obliging manager, Messrs

Brockwell & Pettigrew, to whom much

credit is due for making this beautiful

spot one of the finest watering places in

the Province.

On Friday afternoon last Mr W. J.

Balcom, the popular and up-to-date

liveryman, called at the ACADIAN res-

taurant, and in his customary cordial man-

ner, extended an invitation to the chief

scribe and members of the staff to enjoy

an outing at Evangeline Beach, trans-

ferring us thither in his comfortable ex-

tended. A very pleasant afternoon was

spent, and W. J., who does nothing by

halves, very considerably arranged with

the clerk of the weather for a shower

bath on the way back, which added con-

siderably to the hilarity of the occasion.

Some other passengers who were present

very kindly contributed the drip of their

umbrellas, to help along the good work,

and to them as well as Mr Balcom, we

wish to return our thanks for an exceed-

ingly enjoyable trip.

Mrs Jos. Allison, Miss Allison and

Master Willie Allison, of St. John, have

been visiting at Donald Cottage for the

past two weeks. They were joined on

Saturday last by Miss George Scammell

and Mr Walter Allison. The party ex-

pect to remain a week longer.

Mr Alfred Patterson, of Halifax, spent

Sunday at Acadia Village. He has recent-

ly returned from South Africa where he

has spent the past eighteen months for

his health. We are pleased to learn that

he has fully recovered, and is again able

to resume work in his former situation

with Simons Bros. & Co.

Mrs W. S. Allison, of New York, is

spending a few weeks with her daughter,

Mrs S. L. McMullen. Mrs Chambers,

her sister-in-law, is also with her.

Mr A. H. Patterson returned on Sat-

urday last from a two weeks' visit in St.

John.

Messrs C. F. A. Rathbone and S. L.

McMullen took a company of Americans

by boat to Moncton on Tuesday. Dur-

ing the passage across it was so calm that

they had to row all the way, but a fair

wind favored them on the return so they

had a beautiful sail home.

Mr A. McE. Patterson spent a few

days in Halifax the latter part of last

week in the interests of his school. Dur-

ing the vacation he has visited different

parts of the province and has secured

some 15 or more new scholars for next

year. Mr Patterson says that there is

very little doubt but that the school will

reopen with every room occupied.

There will likely be six resident teachers

this year and the school has never been

better equipped than it will be for the

coming year.

Mr A. H. Patterson drove his young

St. John friends who are stopping at

Donald Cottage to the "Look-off" on

Thursday. Miss Patterson also accom-

panied them.
