

# THE DELINEATOR

Is the Largest, Most Representative and thoroughly up-to-date of all the women's magazines published.

THE Colored Plates of Fashions and Millinery recently introduced are of immense value to all interested in fashionable and correct dress. In the other numerous illustrations shown all the prevailing styles are accurately pictured, and the earliest reliable information is given in regard to these incoming Fashions, Millinery and Materials. Lovers of Fancy Work will find a larger variety of novel designs than in many periodicals devoted solely to the purpose. In general reading there is a wide range of topics touching on nearly everything of interest to women: Cookery, the Care of Children, Household Duties and Appointments, Beauty and Hygiene, Etiquette, Education, Employments and Professions, Handicrafts and Occupations, Entertainments, etc., etc., with a short story each month by a distinguished novelist. There is a large staff of well-known writers, and among the special contributors are:
