

The Order of the Day being read, for resuming the adjourned Debate on the Amendment which was, on Thursday last, proposed to be made to the Question, That Mr. Speaker do now leave the Chair (for the House again in Committee of Supply); and which Amendment was, That all the words after "That" to the end of the Question be left out, and the words "it be *resolved*, that this House is of opinion that the welfare of *Canada* requires the adoption of a National Policy, which, by a judicious readjustment of the Tariff, will benefit and foster the Agricultural, the Mining, the Manufacturing and other interests of the Dominion; that such a Policy will retain in *Canada* thousands of our fellow countrymen, now obliged to expatriate themselves in search of the employment denied them at home, will restore prosperity to our struggling industries, now so sadly depressed, will prevent *Canada* from being made a sacrifice market, will encourage and develop an active interprovincial trade, and moving (as it ought to do) in the direction of a reciprocity of Tariffs with our neighbours, so far as the varied interests of *Canada* may demand, will greatly tend to procure for this Country, eventually, a reciprocity of Trade," inserted instead thereof;

And the Question on the Amendment being again proposed:—The House resumed the said adjourned Debate.

And The House having continued to sit till after Twelve of the Clock on Wednesday morning;

WEDNESDAY, 13th March, 1878.

And the Question being put on the Amendment; the House divided: and the names being called for, they were taken down, as follow:—
