U of A Outclasses Opponents By John Neilson

Two west coast swim teams last week-end looked up surrised to find Alberta Bearing down on them in a rather firm ecisive way. The men's swim team from U of A outclassed Western Washington College on Friday 61 to 34 team points and then went on to defeat the UBC Thunderbird swimmers 70 to 25.

The win over UBC was especially surprising considering that in last year's WCIAU meet, Alberta suffered an equally resounding defeat at the hands of the UBC squad. Explaining he win Coach Murray Smith stated that whereas Alberta imroved from last year, UBC failed to do so.

For Alberta, Larry Maloney swimming the 440 freestyle in 5:28.3 against UBC, bettered his own time of 5:31.9 set in an intra-squad meet here three weeks Al Goodwin swimming without Maloney in Bellingham, Washington, topped the 220 and 440 freestyle events and showed considerable improvement in his times for both.

Bernie Bradley broke last year's WCIAU winning time of 59.0 for the 100 yard freestyle with a time of 8.0 in Bellingham and 58.5 in Vanouver. Bernie also figured promnently in the clean sweep made by lberta in the relay events in both meets swimming the 100 yard free-tyle leg in the 400 yard medley rey competition against Western ashington in 57.8 seconds.

The relay teams from Alberta bettered last year's WCIAU times in the 440 yard medley and 440 yard freestyle relays in both UBC and Western Washington meets. Their best time in the

medley relay was 4:29.2 against Bellingham and in the free-style relay 3:51.2 against UBC. The WCIAU times are 4:36.9 and 4:06.9 respectively.

Against Western Washington, Goodwin and McDonald tied with 10 points each for the most individual team points scored, each winning two events.

In Vancouver's Crystal Pool, Larry Maloney with his two wins in the distance events and a third place in the 200 yard backstroke brought home 11 points to his team. John Byrne with wins in the 200 yard butterfly and the 200 yard individual medley followed a close second

with 10 tem points to his credit. Dominating every event in both meets except the divng and backstroke competitions the U of A swimming Bears put on a display which makes them appear to be the team to beat for the WCIAU finals this year to be held here on March 3 and 4.

Game of the Week-Hockey Engineer 'A' defeated Arts Phi Kapp "C' ad Science 'B' & to 6 in the form of DU "B" and Science 'B' 8 to 6 in one of the best intramural hockey Assinoboia games this year. They had to DU "A" score three times in the last period to do it.

THE GATEWAY

The first period ended in a tie as R. Gague and N. Inbster Dentistry sored for the Engineers, while Phi Kapp "B" H. Wiebe and Thompson did the same for the Artsmen. In the second period the game really began to move as the Artsmen's Wiebe, Cartnell and Rambeu each scored majors. Education But the Engineers equalled Medicine their efforts by having Gague, Lambda Chi Alpha Inbster and Bouber register.

Arts and Science opened the third Phi Delta Theta with a goal by Taster and seemed 1. Finals-March 7, 1961 to be pressing in for more, but the Engineers goalie. Greg Hand, stopped 2. All teams will swim twice except Medicine. 2. All teams will swim twice except Medicine. 3. Stopped all attempts. Then the Engineers began to roll. A lucky shot by Wilson, off more pads than sticks, dribbled in to tie the score. Next a beautiful slapstick shot sailed into the net by Gague to put the En-gineers in the lead. G. Bouber slapped in another for the Engineers to assure the win.

The other game on Monday night saw the Faculty team defeat Educa-tion "C" 14-6. Nº 1 / 10 1 /1

Bears carry a 2-1 lead into the game which will be the last meeting between the two clubs in the campus ice palace.

The scene shifts to the Edmonton Gardens for the final contest of the series on Sunday, Feb. 12.

"They were lucky the last two games," snorted Oil King man-ager Leo LeClerc. "We'll run them out of their underpopulated rink Thursday and then skate their legs off at the Gardens Sunday. On the big Gardens ice surface they'll be lucky to last one period."

Bear Coach Clare Drake has other ideas. "If the Bears are healthy, I see no reason why we can't win the last two," he predicted. "The larger Each participant may enter $3 \ge 50$ By then we should have three good yard events or 2 x 50 yard events passing lines, and with the Saskatchewan series over, we should be ready for them.'

The Saskatchewanites inhabited the league cellar last season after ending the previous season in the lofty confines of first place, only the third time in ten years that they have broken the Bears' monopoly of the

Hardy Cup. They look much stronger this year, topher Dudley Evans has been however, having picked up several elected president of the Inter- top players from the Saskatchewan Junior League.

"I'm worried a bit about this weekend," confided Bear Coach Clare Drake. "It'll be a really tough series, our toughest of the year.
