

You're on the road to disaster. . .

When you drink and drive

Drinking and driving is a deadly combination . . . one that can turn any holiday into a disaster. Saying no to that drink can mean the difference between life and death. Plan your holiday celebrating the smart way. Don't drink and then drive . . . and see that others are in shape to get behind the wheel. Make this a safe and happy holiday.

This message has been brought to you by these community minded businesses.
