Dear Mr. Meighen.

I rec'd a wire from Sen. Webster saying you desire a personal report from me on the Rumowski situation. I have been in touch with Messrs. Belly, Audet & Roger ever since the opening of the County. Mr. Belly said he was going down immediately with Audet, but understand Audet went alone.

My first suggestion to them was to closely survey the field but not to commit themselves immediately with any proposed candidate.

Should Gen. Fiset be the Gov't standard bearer, I would be of opinion not to oppose him. You might make a pronouncement that in recognition of his splendid work during the
