6. Conclusion

Mr. Roosevelt, it is the prayer of the people of Canada that Divine Providence may give you health and strength to bear the heavy burdens which rest upon you until victory has been won and freedom and peace restored to a war-torn world. *As Commander-*
in-Chief of the United States and as one of the leaders of the United Nations, the great qualities of heart and mind you have brought to the discharge of your public duties will never be more needed than in the months ahead.
I speak for all the people of Canada in expressing our appreciation of your outstanding contribution to the cause of human well-being alike in peace and war.
