

The Christian Endeavor Society

THIS SOCIETY was organized in 1885 under the name of "The Hopeful Gleaners." The young people at that time felt the need of an organization in which their talents might be developed and useful service rendered. Through the 25 years of the existence of the Young People's Society there has been good work done, a zeal and activity displayed that have been cheering to pastor and people. In 1885 the name of the organization was changed to "Young People's Society of Christian Endeavor," and by that name it is still known. The Society has had a large number of members, but the passing years with their change have affected the membership very materially, although the Blyth Society is among the strongest in Huron Presbytery. There is no doubt that a great many young people owe their beginning in

religious service to their membership in this Society. Ex-members are to be found now far and near. Dear friend, if you were once a member and now unable to attend, perhaps far away, remember your pledge of long ago and be true.

The officers at present are :—

President	Miss Sadie Somers
Vice-President	Mr. Roy Denholm
Recording-Secretary	Miss Janet Steinhoff
Treasurer	Miss Emma Leith
Corresponding-Secretary	Miss Tena Cutt
Organist	Miss Gladys Cutt
Conveners of Committees	Rev. J. L. Small, Misses Anderson, Steinhoff and Willows and Mr. John Somers.

The Ladies' Aid Society

ORGANIZED in 1877 with the following officers :—Mrs. McKinnon, President; Mrs. (Rev.) McLean, Treasurer, and Mrs. Gracey, Secretary. Associated with these officers there was the following Executive committee, Mesdames John Laidlaw, Woodrow, Geo. Stewart and R. McNaughton. Of the older members of this Society Mrs. McQuarrie and Mrs. Dodds were very active and helpful in the good work and are still faithful members.

This Society has done much to aid the Board of Manage-

ment financially and to furnish and beautify the interior of the church. During the years of the Society's existence a total of \$3000 at a very lowest estimate, has been raised.

The Society is still in a flourishing condition with the following officers :—

President	Mrs. J. C. Ross
Secretary	Mrs. Jos. Carter
Treasurer	Mrs. Arch. Taylor
