**A VERY FINE PROSPECTUS ALBUM**

Showing 4 Patterns as described above, we have had prepared for the use of Agents in canvassing, and is lent to them at cost of manufacture, viz., \$2.50, and as is the case with all our Prospectus, this amount is refunded when an Agent has sold 10 Albums, so that as a matter of fact it may be said to cost nothing, for there is no expense to man or woman who cannot sell at least 10 Albums.
