HE DESERVED PITY

His suffering from Sciatica was so great, but thanks to Nerviline was cured. "I suffered for three years from sciatica," writes E. S. Jenkins, of Portland, "and no man ever suffered more. I spent a small fortune on different remedies, but the only one with real merit was Nerviline. I used a few bottles of Nerviline and was perfectly cured. I can recommend Nerviline as a sure cure for sciatica; it's excellent also for rheumatism and neuralgia." Try Nerviline, 25c. at all druggists.

NO MAN IS STRONGER THAN HIS STOMACH

When Sandow poses and the muscles ridge his back and knot his arms, we think we have before us the very secret of strength in those magnificent muscles. But we haven't. Starve Sandow, or what is practically the same thing, let him be dyspeptic, and his muscle would soon fail. Strength is made from food, properly digested and assimilated, and no man is stronger than his stomach, because when the stomach is diseased digestion and assimilation are imperfect.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of food so that the body is nourished into perfect health and strength.

"I had what my physician called indigestion. He gave me medicine for the trouble but it did me no good," writes Mr. W. H. Wells, of Wilford, N. C. "I wrote to Dr. Pierce and stated my case. He sent me a descriptive list and hygienic rules. I carried out these as best I could, and commenced taking it. A few days later I felt a great change. I felt like a new man. Before I began the use of the 'Golden Medical Discovery' I suffered greatly with pain in stomach, my nerves seemed all 'run-down,' I was very thin in flesh, but now can eat heartily and sleep good at night."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of customs and mailing only. Send 31 one-cent stamps for the paper-covered book, or 50 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

WORLD OF SPORT

THE TRACK

BAD FALL.

Port Huron, Mich., Jan. 19.—The Port Huron ice trotting meet began to-day. In spite of the bitterly cold weather the races were fast and interesting, the only thing that marred the sport of the day being two serious mix-ups.

Hal Patron, driven by D. F. McRae, of Wallaceburg, Ont., fell when half way around the course in the third heat, throwing Driver McRae. William C., following immediately behind, ran completely over Hal Patron and McRae, throwing his own driver and also receiving a bad fall. Neither horse was badly hurt but Driver McRae received a bad flesh wound in the left leg from William C.'s calked hoofs. Both horses will enter the races to-morrow but McRae probably will be unable to drive.

In the first heat of the 230 class Allen Word slipped and fell, pitching his driver into a snow drift beside the track. The horse was badly shaken up and compelled to withdraw. Only three heats of the 212 race and two heats of the 240 class were run, darkness interfering. The unfinished heats will be run to-morrow.

The management is jubilant over the fact that the world's half-mile pacing record on circular ice track was broken. Hal Patron pacing it in 1:07 1-2, three seconds faster than the former records. Summaries:

Net Result a Decline.
London, Jan. 20.—Returns show that though the net result of changes in wages during 1903 was a decline, the fall, measured by the weekly loss to the working class, was comparatively slight, and considerably less than in 1902.
