## WORTH REMEMBERING.

WHY SOME PEOPLE ARE POOR.

Coffee, tea, pepper and spices are left to stand open, and lose their strength.

Potatoes in the cellar grow, and the sprouts are not removed until the potatoes become worthless.

Nice-handled knives are thrown into hot water.

The flour is sifted in a wasteful manner, and the bread pan is left with the dough sticking to it.

Clothes are left on the line to whip to pieces in the wind.

Tubs and barrels are left in the sun to dry, and fall apart.

Rags, string and paper are thrown into the fire.

Pork spoils for want of salt, and beef because the brine wants scalding.

The best Blood Purifier ever discovered is Burdock Blood Bitters, composed of simple herbs, barks and roots.

To PURIFY WATER.—A lump of alum attached to a string and swung around a few times slowly through a pitcher of water will cause the sediment to fall to the bottom in a few minutes. This neutral sulphate of alumina makes lime water perfectly pure, destroying at the same time all organic compounds. Almost all water has lime in it.

It is less pain to learn in youth than to be ignorant in age.

Health giving Herbs, Barks, Roots and Berries are in Burdock Blood Bitters, which regulate all the secretions, purify the blood and strengthen the entire system.

DOMESTIC RULES.—1st.—Do everything in its proper time; 2nd.—Keep everything to its proper use; 3rd.—Put everything in its proper place.

REMOVING WARTS.—Get at the drug store five or ten cents worth of oil of cinnamon; wet the warts thoroughly three times a day till they disappear.

Mrs. Henry Sheldon, of Farmersville, was cured of Canker of the Stomach by Burdock Blood Bitters when her friends had nearly abandoned all hope.
