

MONTHLY NOTES

THE STALLS IN CHOIR.

A lady who is a parishioner of one of the rural prebendal parishes, being lately on a visit to Toronto, attended services at St. Alban's on two or three occasions, and was so much pleased with the building, which she then saw for the first time, and the services, that she expressed her intention of endeavoring to secure in her own parish sufficient subscriptions to pay the cost of the stall of that parish.

LAWN TENNIS.

A Lawn Tennis Club has been organized in connection with the St. Alban's Cathedral Athletic Association, and from present indications bids fair to be a great success. Two courts are in process of preparation on the plot of ground west of the Cathedral, which is to be fenced in.

As is usual in organizations of this kind, all that is necessary to make the enterprise a complete success from the start is a large membership; at present, although the Club has not yet commenced actual play, some fifteen members have been enrolled, and several more have signified their intention of coming in as soon as the ground is ready. The initial expenditure will necessarily be rather large, it being estimated that at least \$125 will be required, and that will mean a necessary membership of fifty; so that if the tennis enthusiasts in this neighborhood wish to have a good live club in their midst, now is their opportunity by supporting this new organization to bring about a fulfilment of that desire. The fees are moderate, \$2.00 for ladies, and \$3.00 for gentlemen. The executive committee is composed of the Rev. Mr. Andrews, Messrs. D. Kemp, J. H. Hardy, R. G. Davidson, M. E. Matthews, W. H. Garrett, R. H. Cameron; Secretary, Mr. Greenwood; Treasurer, Mr. H. Ledger.
