ANCIENT GET-RICH-QUICK SCHEMES.

About the year 1720 a great many Englishmen invested millions of money in companies which were organized for such objects as:—"Wrecks to be Fished for on the Irish Coast"; "For Making Oil from Sunflower Seeds"; "For Importing a Number of Large Jack Asses from Spain"; "For a Wheel of Perpetual Motion"; and, most extraordinary of all, "For an Undertaking Which Shall in Due Time Be Revealed." The promoter of the last company received more than one thousand subscriptions during the morning on which the offering was made, and disappeared the same afternoon with more than two thousand guineas. The Englishmen who parted with their money for such ludicrous enterprises were not, unfortunately, the last of their kind.
