

NORMOUS FORTUNES AWAITING CLAIMANTS

Lie buried in the courts of Chancery, Bank of England, England, France, Germany and other countries, amounting to over \$450,000,000, a great part of which belong to the people of America, including all classes of the community. The Chancery Paymaster will gladly pay the money to the rightful owners if they will only put in their claims. Thousands of people in the United States are unconscious of the fact that a fortune has descended to them from remote ancestors, and because they have no knowledge of these ancestors they take no interest in what is of vital importance to them. We earnestly urge every one to send to the British-American Claim Agency, Stewart Building, New York City, and obtain their authenticated Book Register (price 50 cents, stamps or postal note), containing a list of 50,000 people to whom this fortune belongs, and if they find their names or those of their ancestors, they should follow the instructions it contains. A fortune may await them. The following are a few of the surnames (among the 50,000) of persons entitled to money and property:

EXTRACT FROM THE LONDON TIMES.

"Very few people have any conception of the enormous sums of money which pass through the hands of the PAYMASTER, received in CHANCERY and remain under his control through the decease of the parties immediately interested and the ABSENCE of their NEXT OF KIN. The publication of these LISTS is the first step yet taken towards facilitating the DISCOVERY and RECOVERY of these FUNDS. The latest official returns show that there was £25,300,747 in February, 1873. This sum has risen at the end of February, 1883, to £77,683,769."—The London Times, July 4, 1884.

Stock Notes.

We were present at Mr. John Gillson's sale of Shorthorns that took place in London Township on the 3rd inst. The weather was fine; the sale had been well advertised; the stock was of as high an average of quality and had as good pedigrees as were to be found at any sale we ever attended. The leading breeders of the county were present, also many from other counties. The sale was honorably conducted; no animal was withdrawn, bid in or reserved. "Eva" resembled the illustrations of the celebrated "Lady Fragrance" more than any animal we remember ever seeing. She was bought by Mr. Thompson, of Perth, for Mr. Fitch, of Oxford Co. The following is the list of prices realized, and the herd books show you what they were: White bull, "Lochiel," 2-year-old, \$290; "Royal Victor" (imp.), calved Feb. 21, 1885, \$115; "Sir Gavin," Feb. 21, 1886, \$130; "Ready Cash" (roan bull), calved Oct. 5, 1885, \$50; "Parnell," calved Feb. 2, 1886, \$100; "The Warden," calved Dec. 1, 1885, \$80; "The Peer," calved Dec. 2, 1885, \$150; "Wimple's Diadem," calved Nov. 2, 1885, \$205; "Clementina's Gem," calved Nov. 5, 1885, \$166; "Miss Folsom," calved Feb. 7, 1886, \$100; "Minnie," calved Jan. 5, 1882, \$145; "Stanford 11th," calved May 16, 1880, \$160; "Mysie 38th," calved Jan. 24, 1875, \$180; "Eve" (imp), roan cow, calved April 28, 1880, \$325. After the Shorthorns were disposed of, some very fine Clydesdale stallions were shown, but as reserved prices were to be put on them, no offers were made.
