SAP BUCKETS

At the exceedingly low cut price of only 8 CENTS each.

We are this year offering, perhaps, the best 8-quart sap bucket on the market. It is of heavy tin, well soldered on the inside so that the liquid does not even get into the seams. We sell any number, large or small, at the rate of eight cents each. We have only the one price. It is too low to offer any inducement for large quantities. We ship promptly the same day the order is received.

We also offer the Improved Eureka Sap Spiles at the rate of only 75 cents per 100. On receipt of 2c. stamp we will mail you a sample spile. This is the most ingenious thing you could imagine to hold the sap bucket to the tree.

Our terms are cash with the order. Get in your application for our free spring catalogue. It contains close cash prices on Fence Wire of all kinds, Dairy Supplies, Harness, Builders' Materials, Seeds, etc., in fact, everything the cash buying farmer wants.

The Best INVESTMENT!

AND WHERE TO GET IT.

The man aged 30 who invests, say \$216 per annum for seven years in a building association, which is honestly managed, which meets with no losses, will in case of death, say after seven years, have provided for his estate to the extent of possibly \$4,000. The man who invests \$216 in the MANUFACTURERS' LIFE will in case of death, the moment the premium upon his policy is paid, have provided for his estate to the extent of nearly \$15,000, if insured on the ten-twenty plan, and the same sum invested in a twenty-year endowment will add \$5,000 to his estate at death, and if he lives to complete the payment of his twenty yearly premiums he will then have in hand very nearly as much money, IN ADDITION TO HIS POLICY OF \$5,000, as if he had taken the building association stock!
