

GAVE UP ALL HOPES OF EVER GETTING WELL

Mr. Jacob E. Herr, 111 Grange St., Stratford, Ont., writes:—"Ten years ago I suffered with a very peculiar disease. I would go to bed feeling as well as could be, and after sleeping for five hours I would wake with a severe pain in my back, then moving into my side and breast. The pain was so terrible I could not lie in my bed, and usually had to sit until morning with a pillow propped up behind my back. With all my pain I would go to work, and after working up to about 10 o'clock the pain would leave me entirely. The same thing would happen the next night, and every night for two years. I tried four different doctors, but none of them did me any good. I tried a great many patent medicines, but all of no avail. I gave up all hopes of ever getting well. A friend persuaded me to try Milburn's Heart and Nerve Pills. I bought four boxes, and after using the first one I felt a change for the better, and after using three boxes I could sleep all night. The pains were gone, and I was completely cured.

Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

GRATEFUL.

"My good man, they need labor badly in the next town."

"Thanks for the warning, boss. I'll make a detour."

shooting. The next time they fired 250 shots. Then we got a light shower after several hours.

"By this time I had concluded the shots were not strong enough, so I gave directions to have a sure-enough battle, stretching the line out two miles and firing 1,500 shots, and on this occasion the 'coon came out of the tree' before we had ceased firing—in fact, the last hour we shot while the rain fell. Then, the next time we fired 1,500 shots, and it was about five hours before the rain came.

"I have given this matter a good deal of careful attention and investigation, and am very well satisfied that the conclusions are correct. This coming year will either fix it or break it.

"I would like to shoot eight rains during the spring and summer, and I want to fire our battles just at the time when rain would help the crops.

"One thing is certain—nature sends over the land a great abundance of moisture—the clouds are frequently heavy for a day or two, but the moisture refuses to precipitate even when the crops are drying up. It seems to be a sort of taunt from nature, a challenge, in other words, so we accepted the challenge and banged away.

"Whatever the theory may be, we got the rain, spring, summer and fall. It would interest one to see the way the clouds act overhead during the firing, and the stately manner in which an army of cumulus clouds begins to march up from the horizon.

"I consider the outcome of these experiments of so much importance to humanity that the money is well expended."

DOMINION SHOW AT THE CAPITAL.

The Dominion Exhibition, Ottawa, September 5th to 16th, deserves the attention of farmers and stockmen in all parts of Canada. The Central Canada Exhibition Association which has the enterprise in hand, is this year celebrating its 25th anniversary. The Federal grant of \$50,000 enables the Association to increase all cash prizes 50 per cent., and to add many other features for the improvement of agriculture. Freight charges on all exhibits coming from over 100 miles will be paid both ways by the Association. The railway companies carry home all exhibits remaining in possession of the exhibitor free of charge. Cheap rates and excursions to the Dominion Exhibition have been provided for the whole of Canada east of Port Arthur, and in parts of New York and Vermont States. The prestige of the Dominion Fair has drawn special money grants from several live stock and agricultural associations. For instance, the Clydesdale Horse Association donates \$250. The famous Clydesdale challenge shield, valued at \$650, will be competed for under the usual conditions. There are many other specials of much value. The exhibit of the best grains and vegetables from the field crop competitions of Canada will be a splendid feature. Entries in all departments close August 20th.

GOSSIP.

W. A. Clemons, now acting as Secretary of the Holstein-Friesian Association of Canada, advises "The Farmer's Advocate" of an excellent record just reported from the herd of M. A. Steves, of Steveston, B. C., the four-year-old Lady Pietje Canary having produced 26.98 lbs. of fat in seven days. The percentage test was 6½ per cent. This is the second largest record in Canada, and is made following a large record as a three-year-old. She is going on for a longer test.

At the Edinburgh Show the second week in June, the champion Clydesdale stallion was Wm. Dunlop's famous unbeaten bay two-year colt, The Dunure (16839), by Baron of Buchlyvie, dam by Hiawatha. The reserve was the same owner's first-prize yearling colt, Dunure Stephen, also by Baron of Buchlyvie. The champion female was Mr. Mitchell's Gordon Lady Fannie, the reserve being the same exhibitor's first-prize two-year-old, Nannie, by Amikwa. Second to Nannie in a strong class of two-year-olds was J. Ernest Kerr's Harroldown Phyllis, own sister to Scotland's Yet
