MUSICAL.

From the Boston Evening Traveller.

THE KNABE PIANO, which has such a wide popularity, is considered by many experts to be superior in every way to any other Piane in the world. The success of this Piane has only been attained by years of careful study, and the Knabe, with its excellent singing qualities, its great power, the elasticity of touch, and superior workmanship, is justly the favorite. Herr Facter's plane soles at the recent. Worchester festival, the Schumann's con erte, in A minor, op. 54, and Liszt's Knapsoci's No 5, which were so highly praised, were both performed upon a Knabe Piano, Herr Fasten pronouncing it to be the best Pian) he had ever seen.

XMAS PRESENTS

As we are now approaching the holi-day season, when we have all to buy our Christmas presents, we would suggest to patrons and readers of this paper the advisability of paying Mr. Charles Stark a visit. 52 Church St., Toronto, where they will flud an assortment of Diamonds. Watches, Jewellery, etc., for variety, price and elegance of design equal if not superior (in special lines) to any jewellery house in the City.

Mr. Stark has recently made large additions to his extensive warehouse, his principal show and sale room on the first floor being 110 feet deep, in which his goods are displayed in fifteen large side and centre show cases, making the most elegant display in the City. For the convenience of Mr. Stark's thousands of country customers he issues a one hundred and twenty page catalogue, containing eight hundred illustrations of goods suitable for Christmas presents. Watches, Jewellery, etc., are sent by registered mail, prepared,

and safe delivery guaranteed. This is the great feature in Mr. Stark's business, having but one price and selling only for cash at exceptionally low prices, he has built up one of the largest businesses of the kind in the Dominion.

We advise our friends to give him a call or send for his catalogue, which contains a dozen of ordinary jewellery stores. - Canada Baptist.
