Rev. P. J. Ed. Page, Professor of Chemistry Laval University, Quebec, says:—I have analysed the India Pale Ale manufactured by John Labatt, London, Ontario, and have found it a light ale containing but little alcohol, of a delicious flavour, and of a very agreeable taste and superior quality, and compares with the best imported ales. I have also analysed the Porter XXX Stout of the same Brewery which is of an excellent quality; its flavour is very agreeable; it is a tonic more energetic than the above ale, for it is a little richer in alcohol, and can be compared advantageously with any imported article."

### Two Continents Beaten by Canada.

MAY 3rd, 1888.

To JAMES GOOD & Co.,

Gentlemen,—I have no hesitation in recommending ST. LEON SUPERIOR to any other mineral water known to me (not excepting the celebrated Waukesha, of Wisconsin, and the Carlsbad, of Germany) as a remedy for the uric acid diathesis (gout and rheumatism) and diseases of the kidneys, including diabetes, melitus and Bright's disease, when freely used.

To persons in health it is an excellent regulator and health preservative as well as an agreeable beverage.

Mr. C. W. DENNIS, Toronto,—I have much pleasure in being able to state that after due trial being had, your Washer has proved satisfactory, and I would recommend it to everyone as a necessary household appendage. When I first opened the box containing it as it came from the express office, I was very incredulous as to its effectiveness as a clothes cleaner, and pronounced it as a totally useless affair, but after the second trial, from being incredulous I came marvelling, being utterly astonished at the way in which but a simple thing could accomplish its work and with what facility, the washing that required a full day to complete it now only taking a few hours. B. A. BOONER, Incumbent of Perrytown, Diocese of Toronto.
