The British American Business College

1900
AND
1901

WILL prove a genuine helper to the young man or woman who is resolved on reaching success in the new century into which we will almost immediately enter.

Good positions in the business world are only to be won these days by those who specially fit themselves for their work. Never was there a time but when business demanded the best that is in everyone and these conditions are likely to be intensified in the new century.

Book-Keeping, Stenography,
Typewriting, Penmanship,
Business Law and Advertising
All Taught by Experienced Teachers,
And Experts in their Subjects.

We will be glad to send our new prospectus to any young man or woman who contemplates a business education for the new year.

EDWARD FISHER, Mus. Doc., Musical Director
of the Toronto Conservatory of Music, says:

THE Compensating Pipe Organ

Combines in a marvellous degree
Power, Sweetness and Variety,
as well as Economy both of
space and cost.

It gives you more music and
better music than has ever been
condensed into the same space
before.

The Ideal for the Church.
