The reading of romances is forbidden by the Koran; hence popular tales are never put in writing among Mohammedans, but are passed from one story teller to another.

One of the three dozen shirts possessed by Napoleon at St. Helena, and divided at his death among his companions, has been sold by auction for one hundred and fifty francs.

Every passenger landed in a French port from a steam vessel coming from a European port, by a decree just issued, is to pay a tax of fifty centimes (ten cents); from any other part of the world he pays a franc.

Brussels has a new executioner. He was a waiter in a saloon, and was dared by his companions into betting that he would try for the place. He won the bet and the place, which carries with it a salary of some twelve hundred francs a year.

Now that garden parties and picnics are pleasures of the past, and socials, dances, balls, etc., are present, it would be well for those entertaining to keep on hand a few dozen of SAVORY'S splendid Champagne Cider. It is a delicious beverage for the supper table. Use champagne glasses and ice for those who are in need of a cool refreshing drink.

SAVORY'S CHAMPAGNE CIDER, being strictly the pure, highly refined juice extracted from home grown apples, is a healthy and temperate substitute at all times for champagne, claret, etc., and is superior to all cheap concoctions sold under the name of champagne.
