

WHY IT PAYS TO SHIP

THE GRAIN GROWERS'

1. BECAUSE The Grain Growers' Grain Company is one of the largest grain commission and export companies in Canada. The large volume of grain which we are handling (last year 18,845,305 bushels) places us in a position to sell in large lots and thus secure for our patrons the very highest prices, prices often considerably above the market quotations of the day.
2. BECAUSE although we have many thousand patrons and are handling many million bushels of grain, yet by our large staff and our excellent system we are able to give every patron the same individual attention as if we were dealing with him alone. You are sure, therefore, that your interests will be carefully looked after, and, at the same time, you will have all the advantages of selling through a large concern where you can secure the highest prices.
3. BECAUSE The Grain Growers' Grain Company has a duplicate Sampling and Grading department to check the government grading of All Cars Consigned to them.
4. BECAUSE if your car leaks or is wrecked, or if your weights are not as high as you think they ought to be, or if you have any other trouble with the railway company or other concerns connected with the handling of your grain, if you have the evidence to support your claim, The Grain Growers' Grain Company has a Claims Department at your service, with experts to fight your case at no extra expense to you.
