

\$5300.00 in Prizes Free \$4000.00 Farm, 6 City Lots, Trip to Farm and Cash Prizes to users of Odorkill

Feeling sure that Odorkill only requires to be introduced to secure its permanent use, the Odorkill Manufacturing Co. have decided to give the above prizes to users of Odorkill who make the nearest correct estimates of the number of beans contained in a case shown in accompanying cut and which we have placed in the custody of the National Trust Co., Winnipeg. The beans are the ordinary white French variety, such as are sold in any grocery store, and have been purchased by us from the Steele, Briggs Seed Co. The inside measurement of the cube is an exact cubic foot. This has been filled with the beans in the presence of the judges of this contest, whose names are given below, then sealed, enclosed in a tin casing, which is also hermetically sealed, and the whole has been deposited in the vaults of the National Trust Co., there to remain till September 15th, when it will be opened, the beans counted and the prizes awarded to the successful competitors.

Here's the Cube. One Foot Each Way Inside.
