LOCAL MENTION

KNOX CHURCH SERVICES

Morning Services—The Transfiguration of Service.
 Evening Services—The Master's Prayer.

The morning services will be in the interests of the soldier's re-establishment service to assist returned men to become re-established in civil life thru vocational training.

Mr. and Mrs. C. P. McGregor are holidaying at Muskoka lakes.

BORN—On Saturday June 5th to Mr. and Mrs. Walker Drummond of Meadowdale Farm, a son (George Walton).

Mr. O. F. DeLong, who has been here for the past four weeks visiting his father, has returned to his home in Winnipeg.

We are pleased to report a decided improvement in Mr. A DeLong's condition after a very severe attack of heart trouble.

Mr. J. F. Vance returned home last Monday from Winnipeg where he had been attending the Good Roads convention.

Mrs. A. B. Cooper was in Speedside this week attending the funeral of her brother, Mr. Joseph Armstrong, who died very suddenly.

Miss Peach, of the nursing staff, Hamilton, is staying at Mr. Walker Drummonds, and under whose care Mrs. Drummond and little son are progressing favorably.

The annual convention of the Women's Institute will be held at Sheffield in the Odd Fellow's Hall on Wednesday afternoon, June 16th. As many branch members as possible are asked to be present. The meeting will be opened by the district president, Mrs. W. G. Spence.

The Waterdown Women's Institute will hold their summer meeting in the Presbyterian school room on Tuesday June 15th at 2.30. Mrs. C. K. Bluett, Government speaker of London, Ont., will give an address on Citizenship of Women and its Relation to the Institute. A good program will be provided and refreshments served. All are cordially invited to be present.

On Saturday June 12th the boys will be collecting papers and magazines. Friends who donate them are asked to tie magazines and papers in separate bundles using enough strong string to keep them from falling apart. The Women's Institute appreciate the services of the boys and those who save papers for this purpose. A goodly sum has been realized from the sale of over two ton of paper, and will help furnish our Memorial hall which seems at present to be possible.

The W. M. S. of the Methodist church held a very interesting and well attended meeting at the home of Mrs. W. R. Pearson on Wednesday afternoon. A number of ladies from the Rock Chapel W. M. S. were present. Mrs. Daly, the delegate to the district convention in Galt, gave an excellent report. The keynote of the whole convention was that in order to bring the world back to normal again and to send the gospel in effective manner to all the world it is absolutely necessary that the church members and workers should live more consecrated christian lives. It being Mrs. (Rev.) Facey's last meeting with the Waterdown branch as a member, she was asked to give a talk, which she did in a very charming and touching manner. The next meeting will be held at the home of Mrs. C. T. Everitt.

LAST BIG BLOCK Of Canadian Pacific Reserve Farm Lands In Central Alberta and Saskatchewan

We would call your attention to these lands, the last large block of good virgin farm land in Western Canada, which marks the end of wholesale prices for virgin farm lands in the Prairie West.

News of this block being opened up is being advertised throughout Europe and the United States, and is being read by hundreds of thousands of people every week. The American farmers have been quick to see the opportunities offered in the Western Provinces of Canada in the past, and I am sure that they will see this last opportunity as quickly as any, and that there will be thousands of them going to see these lands as soon as the snow begins to thaw in the spring. It is, therefore, up to us in Eastern Canada to make arrangements to visit the West and see these lands at the earliest possible opportunity, and I cannot urge you too strongly if you are at all interested in getting a farm of your own, to take advantage of this last opportunity. Those who act now and secure some of these lands will reap the benefit of quicker increase in value than at any period in the past, and the land will pay for itself from the crops in a few years.

Those who do not wish to improve the land at once may purchase land on our ten year contract, one-tenth cash, balance in nine equal payments at 6%, which does not require improvement of the land, or you can pay in full if you choose.

Those who get there first will get best selection and best location.

WRITE and ask for further information NOW.
