J. H. Lillie and wife paid us a flying visit last week. Mrs. Lillie of Newboro is visiting friends here. Portland.

The Hanes roof and fire escape ladders, manufactured and sold in Athens and surrounding townships by Wm. Hickey, are meeting with a large sale this spring. Mr. Hickey called at the Reporter office yesterday and showed us papers proving that he had sold and put up ladders to the amount of \$155.27 in the last three weeks. We are glad that Mr. Hickey has struck a good thing and can assure those wanting ladders that they cannot get a better or cheaper ladder. We speak from experience as we have the first one ever put up in the County of Leeds.

A pic-me must be a most enjoyable affair. Befreehments were served at Bertha Island and the day was spent and the early evening.

A man who declined to subscribe for an Ottawa Valley paper went to the circus and bet and lost \$40 on a sure those wanting ladders that they read the warnings therin contained and escaped being made the victim of a thimbie-rigger.

Whig: Ezra Wiltse, late of the employ of L. S. Lewis, merchant, Newport of the paper had the result care the play of Leeds.

A problem for the Boys.

A Problem for the Boys.

Boys, if you will take the trouble to work out correctly the following problem, it will show you exactly what good people think of you: Place the year of your birth on a piece good thing and can assure those wanting ladders that they cannot get a better or cheaper ladder. We speak from experience as we have the first one ever put up in the County of Leeds.

Whig: Ezra Wiltse, late of the employ of L. S. Lewis, merchant, Newport invaluable. Send to the contained to work out correctly the following problem, it will show you exactly when good people think of you: Place the year of your birth on a piece good thing and can assure those wanting ladders that they cannot get a better or cheaper ladder.

Whig: Ezra Wiltse, late of the employed the proventile in the contained and escaped being made the victim of a thimble result care.

Whig: Expander the high was a pood to the contained and escaped being made the victim of a thimble result of the

Monday, June 5.—Prof. Sprague visited the butter factory of Mr. Johnson on June 28th and after testing the milk he found one can that had been tampered with. After taking breakfast with Mr. Johnson he drove down the Addison road and visited a longraw farmer. After stating his business, he was astonished to hear that honest (?) farmer acknowledge that for several years he had been suffering from that fell disease, consumption, and that he owed his precious life to the curative powers received from his bowl of cream taken off his can every morning. We are very sorry that of the R. T. of T. Mr. Orser is a good speaker and presents the subject of temperance and prohibition in a very lucid and pleasing manner. On Monday evening the Harmonica band added to the pleasure of the occasion by rendering several good selections, Mr. G. Sharman and Mr. T. H. Orawford read, and Miss Bertha Gile and Miss M. Stone recited. It is intended to have a series of lectures in the fall, and just before the plebiscite is taken, when it is expected that Mr. Orser morning. We are very sorry that the Addison road possesses such deli-cate farmers who doctor themselves at the expense of their neighbors. We think that the culprit will take warnwhen it is expected that Mr. Orser will again speak in Athens. ing and not repeat the offence, or his medicine may prove pretty dear.

Wellington Bradley, the blind pedlar, is in Athens this week, with his automatic window fastener, French piano polish, mica cleaner and labor saving stove polish. This year he has have ever used, removing grease, dirt and ink readily. Bradley will be at the Gamble House all this week where
