Domestic Model B

Easy to Operate

To the Ladies of Athens and vicinity:

I have taken the exclusive sales agency for the

Domestic Vacuum Cleaner

acknowledged in the United States as well as Canada to be the superior of all vacuum cleaners.

The Domestic has ball-bearings throughout and runs so easy that a child can operate it.

It has three powerful bellows with more suction power than any other hand-cleaner made.

Its many points of superiority can best be appreciated when seen, and you are invited to inspect it at our store, or, if interested, we will demonstrate in your home.

The Domestic is operated like the ordinary carpet sweeper and is made in three sizes. It can be supplied with brush attachment for taking up hairs, threads, lint and heavy surface dirt; also with a hose and nozzle attachment for cleaning upholstered furniture, mattresses, draperies, etc.

No home should be without a Domestic Vacuum Cleaner.
