The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## Earthquakes.

Earthquakes are due to discharges of electricity between strata of good conductivity and insulating strata, like granite and silica. The discharges generate gases, to which the observed effects are mainly due.

## HOW TO WARD OFF AN ATTACK OF RHEUMATISM.

"For years when spring time came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man, Logan county, West Va. "I tried everything, with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment. For sale by All Druggists."

The studious king never reigns but he pores over a book.

## THE KIDNEYS AND THE SKIN.

In the spring the kidneys have much to do. If they are weak or torpid, they will not do it well, and the skin will be pimply or blotchy. That is telling the story in a few words. Hood's Sarsaparilla strengthens and stimulates the kidneys, cures and prevents pimples, blotches and all cutaneous eruptions. Don't fail to take it. Buy a bottle to-day.

## FORCIBLE FACTS.

One-sixth of the deaths from disease are due to consumption. Ninety-eight per cent. of all those who have used Dr. Pierce's Golden Medical Discovery for "weak lungs," have been perfectly and permanently cured. Cornelius McCawley, of Leeburg, Armstrong Co., Pa., had in all eighty-one hemorrhages. He says: "My doctor did all he could for me, but could not stop the hemorrhages, and all gave me up to die with consumption." What doctors could not do, "Golden Medical Discovery" did. It stopped the hemorrhages and cured their cause. This is one case out of thousands. Investigate the facts. Free! Dr. Pierce's great work, The People's Common Sense Medical Adviser, is sent free on receipt of stamps to pay cost of mailing and customs. Send \$1 one-cent stamps for paper covered book, or 50 stamps for cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

## A MOTHER'S RECOMMENDATION.

I have used Chamberlain's Cough Remedy for a number of years and have no hesitancy in saying that it is the best remedy for coughs, colds and croup I have ever used in my family. I have not words to express my confidence in this remedy.—Mrs. J. A. Moore, North Star, Mich. For sale by All Druggists.

## WALLACEBURG

April 19.—Miss Grace Woodroge, of Toronto, is visiting friends here. Rev. Mr. Clark, of Dover circuit, who was to exchange pulpits with Rev. Mr. Garbutt, pastor of the Wallaceburg Methodist church, on Sunday last, was not able to be present on account of the bad condition of the roads.

## GUIDE SHOT HIMSELF.

Ottawa, April 18.—The body of Jean Baptiste, St. Denis, a Manitowick resident, who for some time had been missing, was found yesterday on the banks of the Gatineau river, some distance above the village of St. Denis. He had been looking after some traps, and from the position in which the body was found it is believed that he accidentally shot himself. A dead deer was lying beside him, and it is supposed that when the man discovered it he used the butt of his rifle to ascertain if the carcass was frozen, with the result that the charge went off, with fatal consequences. St. Denis was a well known guide.

## SMILES AT THIS STORY.

London, April 17.—The secretary of the humanitarian League has, in behalf of the committee, written a letter to Lord Selborne, first lord of the admiralty, which has sent a smile around London. The secretary reminds his lordship of the existence of a wide-spread erroneous impression that flogging has been abolished in the navy, whereas the birch and cane are still used on boys up to 18 years of age. Then, pointing out the desirability of the public being made familiar with features "so popular in the service," he informs his lordship that the league purposes to placard the walls of Leithon and the chief sea-ports with the pictorial representation of naval caning and birching. The secretary concludes with the following calm request:

"As we are anxious that the picture shall in every way be accurate and not liable to the charge of exaggeration, we venture to ask the admiralty to allow photographs to be taken as it is inflicted."

## CANADA AS SOLE PURVEYOR

London, April 18.—The Morning Post referring to the suggestive preference to Canadian wheat, points out the fact that at all the American exhibitions of the past ten years Canada carried off the chief prizes against much more numerous samples. The American development of Western Canada was based on a scientific principle. While ignorance made of the American wheat a great loss to the Canadian rival, who is established as sole purveyor of wheat for the mother country, would be able to sell at a reduced price.

## Terrible Increase in the Number of Deaths from This Ailment

It is Common to All Classes and Conditions of People

It Creeps Stealthily Into The System And Develops Into Many Diseases.

Bright's Disease, Heart Disease, Diabetes, Dropsy and Rheumatism, are Among The Forms It Takes.

Dodd's Kidney Pills The One Remedy That Never Fails To Cure It, No Matter How or Where It Is Found.

Of all the diseases the human body has to combat in its struggle for health, the one that is steadily growing in strength and terror is Kidney Disease. Quietly, stealthily as a serpent, it creeps on its victim (till the latter is enveloped in its folds, and the greatest physician in the world has ever known stand helpless before it. As the last folds go around the struggling victim and the doctor shakes his head and whispers "Bright's Disease," hope fades to nothing, and the sorrowing friends feel that death has marked their loved one for its own.

The alarming increase in this terrible disease is making it evidenced by the columns of almost every newspaper. For not among the lowly of the earth alone does it look for its victims. Statesmen, Judges, eminent lawyers, and honored divines are numbered among those who in recent months have gone down to their graves with the fell marks of this dread disease upon their bodies. In fact, so prevalent has the disease become that a celebrated New York specialist stated recently that not one person in a hundred was free from some taint of Kidney Disease.

WORKS IN SECRET. It is the secrecy of Kidney Disease that makes it the more dreaded. You can fight an enemy in the open with some chance of success, but if he is lying in wait to take you at an unwary moment your chances of successfully fighting him are terribly diminished. So it is with Kidney Disease. Its first warnings are so faint as to be hardly noticeable, a slight pain in the back that is chargeable to over exertion, a slight discolouration of the urine or a burning sensation while urinating that is hardly attracts attention. That is all. But that means that Kidney Disease is at work gradually eating its way into your system.

As the disease grows more severe, the urinal trouble more complicated, swellings under the eyes and of the limbs denote the coming of Dropsy, sharp shooting pains in the joints and muscles tell that Rheumatism has you in its grasp, or perhaps a day or two's illness leads to the calling of the doctor, and suddenly the terrible truth is forced upon you—Bright's Disease has you in its grasp.

WAY OF ESCAPE. With this silent, relentless enemy slowly but surely eating its way into prominence and making that prominence by a yearly increase in the length of its death list, the demand of the day, of the hour, is "Show us the way of escape." Nature never put mankind in a critical condition without providing a way of escape providing mankind were wise enough to take the way provided. In this case the way of escape is a simple vegetable remedy. It has been before the people of Canada for thirteen years, and like all the great revelations of nature, has been first received and first appreciated by the lowly in life, those known as the common people of Canada.

Is it the common people of Canada who die of Bright's Disease? No, it is the bright and shining marks of those who are stationed above the heads of the masses. Ask the reason of this! Go to the people who are practically exempt from Kidney Disease in its worst form, and ask them. With almost a single voice they will reply: "We cure our Kidney ailments with Dodd's Kidney Pills, and they never get a chance to develop into that terrible disease that carries so many prominent men into the grave."

## ON WITH HIS WORK.

And so it is; the man who does manual labor must heal his slightest aches or they hinder him in his work. When he has backache he cures it with Dodd's Kidney Pills, and goes on with his work; when he feels a twinge of Rheumatism he drives it out of his body with Dodd's Kidney Pills—and goes on with his work. Necessity has taught him that he must cure his Kidneys to get rid of his pains, for he must work to live. He has not been educated to that standpoint where a personification to cure must be written by specialist at a cost of dollars to that there never was a disease that took in all classes of the community but what nature provided a cure within the means of all classes of the community. What he does know is more to the point than all Pills will cure all aches which experience has taught him come from the Kidneys. He takes Dodd's Kidney Pills, and goes on with his work.

## SOME EXCEPTIONS.

Of course, there were exceptions to every rule. Even among common people there are those who neglect the early warnings of Kidney Disease. It takes exceptions to prove the rule—but many of these exceptions prove more—they prove that no case of Kidney Disease is too far gone for Dodd's Kidney Pills to cure. Bright's Disease, Diabetes, Dropsy, Heart Disease—all the varied forms of Kidney

Disease in its advanced stages—have been met by Dodd's Kidney Pills, and never once has Canada's great Kidney Remedy had to admit defeat. From the Atlantic to the Pacific, and from the Great Lakes to Hudson Bay, Dodd's Kidney Pills are used, and wherever used they have triumphed over Kidney Disease in its every form. Thousands of Canadians are shouting their praises of the conqueror.

Just a few of those who have neglected the early symptoms, reached the more advanced stages of Kidney Disease, and found a cure in Dodd's Kidney Pills are given below. There are thousands of others. Ask in your own immediate neighborhood. You will not have to go far to meet men, women and children who have either ward off or cured the terror of the present age by using the old Canadian stand-by—Dodd's Kidney Pills.

BRIGHT'S DISEASE CURED. Bright's Disease has invariably yielded to a treatment of Dodd's Kidney Pills, no matter how firm a hold it had secured on its victim. Possibly the most talked of case of recent date is that of Alice Maud Parker, of Sherburne, Ontario, N. S. The full story of this case will be found in the current number of Dodd's Magazine. Herewith a short statement from the young lady's mother is appended:

Two doctors pronounced my daughter's illness Bright's Disease, and gave her up to die. Her eyelids swelled till she could hardly see; her legs from her ankles to her knees swelled. Her belt in health in health was 26 inches, when she was at her worst it was 48 inches. Then she gave up another treatment and started to take Dodd's Kidney Pills. By the time she had taken the first box I saw a change. It took a long time to bring her back to perfect health, but Dodd's Kidney Pills did it. To my daughter is in perfect health.

Mrs. T. G. Parker, Shubenacadie, Hants Co., N. S.

## DIABETES CURED.

Diabetes is another of the most fearful and fatal forms of Kidney Disease that has been cured by Dodd's Kidney Pills, and by no other medicine. Among those cured of this terrible ailment is Mr. Charles Gilchrist, for fifteen years Chief of Police of Port Hope and afterwards for twenty-two years Fishery Overseer under the Dominion Government. He makes the following statement:

I was a sufferer for ten years with Diabetes and Kidney Disorder. At times my urine was of a dark brick color, and I would suffer something awful while passing. I tried doctors and medicines, but could get no help till I tried Dodd's Kidney Pills. They have made me a new man. The cause of Port Hope all know me, and can vouch for the above.

Chas. Gilchrist, Ex-Chief Const and Fishery Overseer, Port Hope.

## HEART DISEASE CURED.

Heart Disease is a result of Kidney Disorder. Bad Kidneys mean impure blood, the action of impure blood on the heart causes Heart Disease. Dodd's Kidney Pills cure it.

I suffered for years with Heart Disease, Bright's Disease and Rheumatism. I was so feeble I was unable to do anything. There were three months I abandoned all medicines, and resolved to let myself die. Then I was led to try Dodd's Kidney Pills, and the good the first box did me surprised me. I have taken twenty in all, and am well of my Heart Disease, my Bright's Disease and my Rheumatism.

Dame Louis Provost, St. Magloire, Que.

## DROPSY CURED.

Dropsy, another disease caused by diseased Kidneys failing to do their work and remove the surplus water from the blood, is another ailment Dodd's Kidney Pills always cure. Here is an example:

I was a total wreck before I started to use Dodd's Kidney Pills. In the mornings before I got out of bed I could hardly put my feet to the floor they were so much swollen with dropsy. My arms used to swell at times so I could not put on my coat. I had to be tapped to be relieved from my terrible pains. On the advice of a friend I started to use Dodd's Kidney Pills. Before I had finished the second box I felt much better. Seven boxes cured me completely. I don't know what it is to be sick since I used Dodd's Kidney Pills.

George Robertson, 392 St. James St. Montreal, Que.

## RHEUMATISM CURED.

Rheumatism and kindred Kidney Diseases, such as Lumbago, Sciatica, and Gout, are caused by uric acid in the blood. If the Kidneys are put in working order they strain all the uric acid out of the blood, and the Rheumatism goes with it. Take the case of W. G. Cragg, of Dresden, Ont. Here is his statement:

For eight years I was troubled with inflammatory Rheumatism. I could scarcely get around to do my duties in my store. I had some of the best doctors I could get, but nothing I tried would ever give me relief. I started using Dodd's Kidney Pills and had only taken six boxes when I was completely cured.

W. G. Cragg, Ex-Rector of Dresden, Ont.

## ALL KIDNEY DISEASES CURED.

These are only a few cases taken from thousands to show the efficacy of Dodd's Kidney Pills. In other forms of Kidney trouble, such as Urinary troubles, Gravel, Female Weakness, etc., Dodd's Kidney Pills have the same record. They always cure. As for pain in the back—the first symptom of Kidney trouble—ask your neighbors. You'll find the majority of them look on Pain in the Back as a danger signal, and on its first appearance safeguard themselves against this terrible fatal Kidney Disease by driving it away with the old Canadian stand-by—Dodd's Kidney Pills.
