AYER'S PILLS

cause human suffering result from derangement of the stomach, bowels, and liver.

AYER'S CATHARTIC PILLS act directly upon AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes:

"Aver's Pills are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your Pills are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do se when occasion offers.

W.L. PAGE, of W. L. Page & Bro," Franklin St., Richmond, Va., June 3, 1882, "I have used AVER's Pulls in number."

"I have used Aver's PILLs in number-less instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable. J. T. HAYES."

Mexia, Texas, June 17, 1882.

The REV. Francis B. Harlows, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S FILLS. They have entirely corrected the costive habit, and have vastly improved my general health." AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appe tite and digestion, and by their prompt and ugh action give tone and vigor to the whole physical economy, PREPARED BY

Vote being taken. Burpee's amendment was lost: nays 86; yeas 49. Townsend moved in amendment that where, in any county or municipality, there is more than one registrar of deed's office, it shall be sufficient to deposit the notice of petition in but one office. The rest of the sitting was consumed in iscussing amendments to the third read-

ing in the shape of new clauses to be in-Mr. Weldon succeeded in having two clauses inserted—one to provide that the act shall not apply to pending prosecutions and proceedings under the Scott Act; the other that where an information

OTTAWA, April 14.

THE SCOTT ACT AMENDMENT. The House of Commons spent practical debt by about one hundred million pounds, broke down the rouble to less than two thirds of its par value, and Foreign and yet they see it sold on every hand.

now, and the revenue was put down then in official papers at about one-half its present amount. The pace of the borrowing has therefore, been terrific, and there is reason to believe that it has almost exhausted the carrying capacity of the Empire.

In all probability, therefore, war on a large scale would at last strain Russian credit to a breaking point.

To be counted in the computation; (3rd.) that strict quarantine regulations shall be adopted preventing any landing of any shutting off further discussion on Mr. Sir John agreed to its postponement shutting off further discussion on Mr. Head the House should reach his bill without delay. Mr. Beaty objected to the amendment on the ground that it was not in order, but Mr. Speaker ruled against his contention and explanations relative to and only another form of moving the previous question. The amendment was its discussion of the act.

straint than under the act as it now strant than under the act as it now stands. As the subject became more thoroughly ventilated the opposition grew stronger against it, and even an addition to the amendment proposed by Mr. Mc. Carthy requiring an annual return from physicians did not save it and it was voted down. Mr. White (Cardwell), then brought forward his amendment to authorize veterinary surgeons to grant certific. thorize veterinary surgeons to grant certifi cates for intoxicating liquors to be used exclusively in the practice of their profession. This was promptly voted down by a vote of 78 to 30. The only remaining amendment to be proposed was that of Mr. Gigault, which was that provisions for a partial prohibition bill should be embodied in the Act. The absurdity of this amendment was so obvious that it receives amendment was so obvious that it received no serious consideration and it was de Act; the other that where an information or complaint is laid by any other person than a collector of inland revenue or the inspector or sub-inspector of licenses, the information must be given upon oath.—
The effect of the latter will be to prevent worthless men and men of straw from becoming informers out of malice, or for gain, without incurring serious responsibilities.

The deficit of no serious consideration and it was declared lost without nays and yeas. All last the motion for the third reading which had been so often proposed and as often met with amendments during the sitting, was found to have no formal opposition and it was declared lost without nays and yeas. All last the motion for the third reading which had been so often proposed and as often met with amendments during the sitting, was found to have no formal opposition and it was declared lost without nays and yeas. All last the motion for the third reading which had been so often proposed and as often met with amendments during the sitting, was found to have no formal opposition and it was declared lost without nays and yeas. All last the motion for the bird reading which had been so often proposed and as often met with amendments during the sitting, was found to have no formal opposition. The bill was at length passed a little after midnight with the title. Bourbeau also succeeded with his amendment giving priests and ministers the power to grant certificates for liquor for medical purposes in villages and parishes where no medical man resides or can conveniently be found—the clause being carried by 86 to 49.

Townsend obtained

At the suggestion of Hon. Mr. Blake it was agreed to allow the bill to stand over

until to-morrow, so that the members could have time to look over the amend-

treedit to a breaking point.

The Vale Colliery Explosion—
John Greener, manager of Vale Colliery, in a letter to the Halifax Herald shows that the explosion in the Vale mine, which resulted in the loss of thirteen lives, was caused not by gas, as first believed, but by an explosion of gunpowder. He says; "The men at work at the face of the slope at the time of the accident had bored a hole a distance of four feet into the bench of coal at an angle of 45 degrees. This hole being one foot into the bench of coal at an angle of 45 degrees. This hole being one foot into the bench of coal at an angle of 45 degrees. This hole being one foot into the solid coal in advance of the mining performed by these men, and being charged by powder, steamed and fired, causing a blow out on the first shot the flames of which set fire to a can of powder standing performed by these men, and being charged by powder, steamed and fired, causing a blow out on the first shot the flames of which set fire to a can of powder standing near the spot and also to coal dust, thus causing the disaster. Greener thinks the scale and also to coal dust, thus causing the disaster. Greener thinks the dealer of the college of the successive use of which between months.
