The hero of the day was our George Bradford. He made a single, a triple, and the acceptance of two hard chances was his quota in the game, and no one could say that he did not distinguish himself. Curtis, the captain was also in the game. In the eighth he accepted one of the hardest liners that, have come over the diamond this season, and took it cleanly, too. Fraser, the new man on the initial bag, showed up fairly well, getting a hit out of four times up. He made one error. Cove had with the took one error. Coyle had little to do at short, but it was done in a thorough ly satisfactory manner. He got two ints out of four times up, and runs the accepting two chances. For St. Thomas, Barry the pitcher, was hit at opportune times, and nis support on the whole was good. Gragion, the new third baseman, showed up well, getting a hit out of four times up, and accepting two chances. Marnin, the new catener, is a dandy, and he is a great help. He got one of the four hits that titlesson attowed.

St. Thomas went to bat first, and for Et. Thomas went to oat Irre, and to a minute it looked as if Gleason was go-ing to get his good and plenty, two hits, one of them a two-bagger by Murray, re-sulting in McGuire crossing the plate for the only run St. Thomas received dur-ing the game. SAINTS WON ON SUNDAY.

Niagara Falla, June 22.—The Yankees returned home after scoring six consecutive victories and lost to St. Thomas resterday in a Sunday exhibition. The score was 7.—8. Sterling was an even match for Granelli, who has done such wonderful twirling of late. The Yankees tallied a brace in the first, but the saints equaled the performance in the scond and third. A trio of hits and a pair of errors in the sixth tallied for the Saints. In this inning, Granelli, Murray's best whisper bet, grew rather unsteady and before he settled again Staub, Nichols, Sterling and McGuire scored. The home club, however, went after the game in the eightth and tied the score. With one down, McCabe hit for half the circuit. He tallied a minute later with Foersch's home run over the scoreboard in right, Laughlin was an easy out to Sterling. Klinck reached first on McGuire's fumble, stole second, and crossed with the tally on Granelli's single. Wagner hit to the fence, scoring Granelli, The side went out when Wagner was caught going to second. Luck, if it may be called such, came to the aid of the Saints in the ninth. Staub grounded to Laughlin, with two down. Loughlin threw low to first and the ball bounded to the fence. It was lost under a whiz wagon, and Staub tallied the winning run. The Yanks lost heart in their half. The score:

The spring meeting of the Hamilton day afternoon and getaway day saw the largest crowd of the meeting-a record crowd-although the attendance of Toronto talent was not as large as on the previous Saturday. Between six and seven thousand persons saw excellent St. Catharines Lacrosse Team Will racing. There were two surprises dur-ing the afternoon. The first was pro-The big talk in sporting circles since the races are over is the lacrosse game between St. Catharines and Hamilton at the Cricket Grounds next Saturday, when the greatest game ever seen in this city is looked for. Hamilton never had a team that was able to give the St. Kitts bunch a good argument, but the management thinks that this year matters will be different for a team has been mustered here that is fit to step into the N. L. U. at any time and that is what may hapian next year if the locals can wim the C. L. A. championship this season. The team will have a full practice this evening, when all the players will be out, including the famous Cory Hess, who has been signed by the locals as guardian of the nets. Heas is recognized as one of the best goal-keepers in the business and played with St. Catharines last year. He has played with different teams in the big league and was with Brantford when that city, was one of the leading lacrosse centres in Canada.

It is likely that for the first time in vided by Nat Ray, the noted steeplechase jockey, who won the Wentworth Plate, a \$1,000 condition race, with Braggadocio, an added starter, who was as high as 20 to 1. Jubilee Juggins and Purslane representing Mr. Seagram, and Terah and Herman Johnson also in the field, not much attention was given to the added starter, who was the outside in the specufiation. Herman Johnson would not break with the others, and was left at the post. Jubilee Juggins went to the post at once, but he did not stay more than three furlongs. Tilling hast also quit early, and Braggadocio Pursiane and Terah moved up. In the stretch Braggadorio got to the front, but the swerving Terah was pressing him hard at the finish. Pursiane was third Ganda.

It is likely that for the first time in this city there will be a judge of play in the game on Saturday.

While the local team has been having things rather easy for the past three weeks there will not be another such long rest, for between the scheduled games and the exhibition games with the N. I. U. teams, the team will be kept rather busy. On Wednesday of next week, the Hamilton team will play the Nationals in Montreal and on the Saturday following, the Nationals will play the return game here.

stretch Braggadocio got to the front, but the swerving Terah was pressing him hard at the finish. Purslane was third and Juggins fourth. Juggins' race was very disappointing, and ne is evidently not able to live up to his performance of beating the Terah and Cave Adsum a week ago.

The other surprise was sprung when Isbister's Punky, a notoriously bad starter, won the sixth race at 15 to 1, defeating Left Guard, Showman, Monte Carlo and other pretty good ones. Punky started twice before and was practically left at the post in each race. On Saturday the starter was requested not to allow his assistants to take hold of Punky, to lead him to the barrier, and to leave Punky at the post if the jockey couldn't get him to break. Alex. Murray, the former bicycle rider, was wide awake all the time and kept Punky on his toes all the time, Punky got away with the bunch and was nicely rated, in third or fourth position, till the stretch was reached. Then Murray be gan hand riding and the old Commando-Sandfly colt responded and wore down the leaders, winning from Left Guard by a length. Murray was loudly cheered for his excellent ride and the victory of the Hamilton horse was the most popular of the day. The stable did not bet very much on the horse, winning about \$1,000 only. On Thursday the owner stood to win \$2,080 on him, when it broke badly and finished fourth.

There were several mishaps in the steeplechase. Bilberry, the favorite.

St. CATHARINES WON.

St. Catharines, Ont., June 22.—(Special).—There was great rejoicing in this city Saturday night when the Torontos, the fast N. L. U. team, fell before the conquering Athletics by the neat and substantial score of eight goals to two. It was a victory the boys may well be proud of for their opponents were in the pink of condition and came over backed by their president, F. W. Thompson, and Manager Murphy, as sure winners. And at that it looked for a time as though they would win. The final score stood Athletics S: Torontos 2. There were several mishaps in the steeplechase. Bilberry, the favorite, fell, and Tommy Rae, who was just out of the hospital, was injured about the head. His injuries are serious. Big

Bear and Picktime also lost their rivers during the race.

Jockey Abshire, on Spangled Ban-ner, caused a jam in the fifth race by cutting across the field on the first turn, causing El Oro to fall. Jockey Mc-Fadden was badly hurt.

After the first eighth of a mile, when there was a struggle between the field of four for the front position, Colin led all the way, to win handily in 2.04 flat.
