

BIG DOCKET FOR MONDAY.

Forty-Five Cases Greeted the Magistrate on His Return.

The Booze Brigade Was Out In Numbers.

Several Cases of Theft and Serious Offences.

A record roster greeted the eyes of Magistrate Jelfs at the Police Court this morning. Forty-five offenders awaited trial, and the offences ranged from an innocent game of "craps" to theft.

Ben Frank, Toronto, pleaded guilty to a charge of trespassing on the property of the Hamilton Street Railway Company, and was fined \$2.

John Fisher, 12 Railway street, was accused by Melvin Purcell of assault. The complainant said that on Sunday he was walking on the street dressed in the uniform of the 20th Regiment of infantry, when Fisher and another young man accosted him, and made an insulting remark about "a hayseed in uniform."

William Hoyaley was arrested on a charge of assault preferred by Fred Browne. The defendant said that on Saturday afternoon he had purchased a keg of beer and had left it in a neighbor's yard for a few minutes.

William Pincher, Henry Shaw, William Hoyaley and William McKenzie were fined \$5 each for acting in a disorderly manner in Norton Park.

Harry Goodwin was arrested on a warrant charging him with stealing a suit of clothes, the property of his roommate, Morris Moore. The defendant admitted having taken the clothes, and said that he had pawned them, to get back \$5 which he lent the complainant in Montreal.

John Jackson, Charles Mahoney, Michael Gallagher, Steven McKenny and Thomas Coates imbibed too freely on Thursday evening at the home of Mrs. Robert Lucas.

Robert Sambour, a young lad from Hampshire, was seized about a week ago with a burning desire to see the world. Not having the necessary funds to travel by Pullman, he rode the bumpers as far as Hamilton, where G. T. R. Detective Farr caught him.

Dalby J. Smith was charged with unlawfully obtaining from the Star Manufacturing Company, Toronto, a number of mantle lamps, valued at \$27.50, by pretending that he was the owner of a house at 217 Herkimer street.

The case of Michael Martin, who was charged with stealing a programme and two race tickets from John Martin, was remanded until Wednesday at the request of A. Lewis, counsel for the defence.

John Larkin, 179 Park street north, was remanded until to-morrow. He was accused of theft.

INSTANTLY KILLED.

A fatality occurred on the Grand Trunk, old main line, at Norval, between Georgetown and Brampton, this morning. A special train running west from Toronto struck a milk rig in which a young man named Stevens was driving a team of horses.

Rev. M. J. Bieber, of Trinity English Lutheran Church, this city, acted as master of ceremonies at the corner stone laying of the new church at Toronto on Saturday.

ANDERSON ESCAPED FROM THE GUARD.

Regular Who Assaulted Col. Rennie Taken From Guard at Midnight.

Private Anderson, of the Royal Canadian Regiment of Infantry, who was arrested last Thursday night at Niagara military camp on a charge of assaulting Lieut.-Col. Rennie, of this city, escaped from custody on Friday night, and an extra charge of desertion has been chalked again his name. On the morning following the alleged offence a summary trial was held, the evidence of several witnesses taken and Anderson was committed for trial by district court martial.

The charge would have been more serious to Anderson as he belonged to the regular and should have known better. After the hearing of the evidence on Friday morning the defendant was handed over to the

Hanged Him

Stratford, Ont., June 28.—Frank Roughmond paid the extreme penalty of the law this morning when he was hanged in the yard of Stratford jail for the murder of Mrs. Mary Ann Peake, September 20 last. There was no apparent change in the negro's demeanor as he walked to the scaffold and he maintained an attitude of indifference to the last. The drop fell at one and a half minutes to five and ten minutes later Roughmond was pronounced dead. Twenty-five to thirty persons witnessed the execution and there was no hitch in the proceedings.

NO BLAME.

Barton People Mixed Voters' List and Assessment Roll.

Some of the ratepayers of Barton Township have been surprised to learn that their names are not on the voters' list. When interviewed this morning Reeve Gage said he was surprised that people would cite the voters' list as being a copy of the assessment roll, and would lay a complaint, such as the above, based on the voters' list, and should ensure the clerk that the two lists do not agree.

Before the name of a ratepayer can appear on the voters' list he must be assessed for a certain amount, and those who are not assessed for that amount cannot have their names on that list. In the late petition for annexation those in favor thought they had over 50 per cent, because they had a majority according to the voters' list, but when the number was compared with the assessment roll there was a shortage. On the assessment roll were 984 names, but the voters' list, because not that number were assessed for the required amount. Mr. Gage wishes it thoroughly understood that the two lists are entirely different things.

ROSE SHOW.

Magnificent Display at Home of A. G. Pettit.

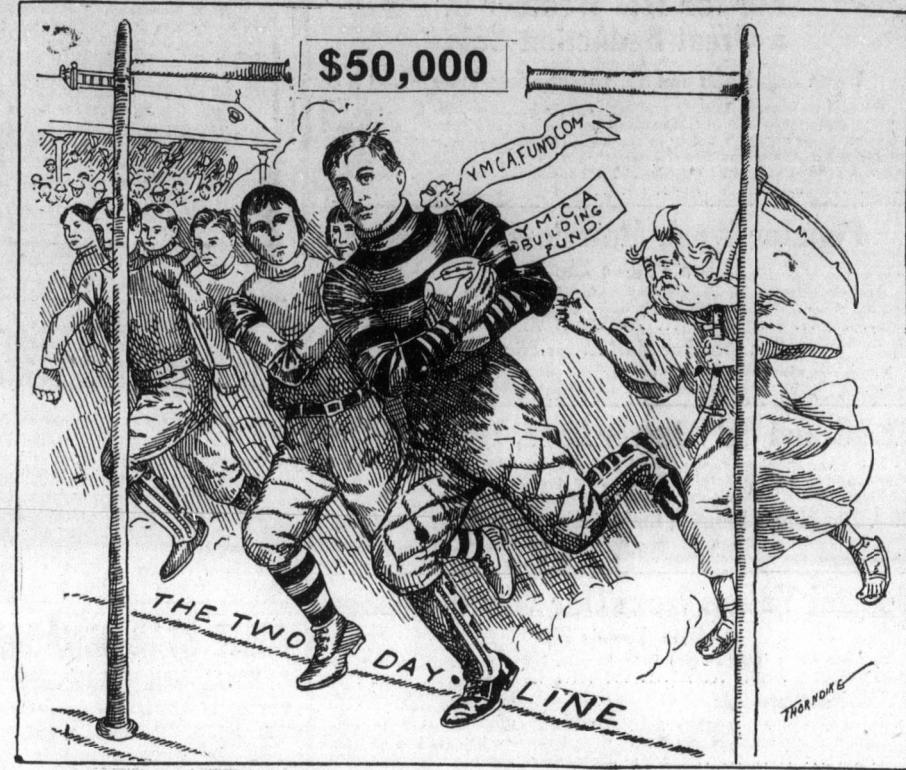

(Special Despatch to the Times.) Grimsby, June 28.—A perfect success was the magnificent rose show of the Horticultural Society at the residence of Mr. and Mrs. A. G. Pettit on Saturday evening. The flowers were placed on long tables in the dining room, and under the glare of the gas light the riot of color was fully exemplified in all its degrees. The large rooms were crowded with members of the society and their friends. In fact, the throng was so large that it overflowed out to the lawn. Here, too, was a galaxy of bloom, for Mrs. Pettit is an ardent rose collector, and her blooms of every description are worth going miles to see and admire. There is no lovelier rose garden in the district than this one.

The show is the finest that has yet been held by this society, and the enthusiasm over its success was quite unbounded.

IVY LODGE.

Beamsville Masons Attended Divine Service Yesterday.

(Special Despatch to the Times.) Beamsville, June 28.—Yesterday afternoon the sun shone and the gentle breezes fanned the faces of the members of old Ivy Lodge, A. F. and A. M., who attended divine service, reinforced by many visiting brethren. Rev. A. L. Brown preached an inspiring sermon from the pulpit of the Baptist Church, which was profusely decorated with plants and cut flowers. The service was one of the best attended by Ivy Lodge in a number of years.

The Y. M. C. A. is playing a fine, strong game. The team reached the two-day line, looking like winners. The goal is \$50,000. Are you cheering for the boys? The committee wants—and needs—a few more \$1,000 and \$500 subscriptions, in addition to a number of \$100, \$50 and \$25. Move quickly.

Y. M. C. A. REQUIRES \$17,500 WITH TWO DAYS FOR WORK.

With two days to go the Y. M. C. A. requires \$17,500 to complete its \$50,000 building fund. That means some hard hustling. At noon to-day D. M. Barton, captain of No. 4 team, had the highest report, \$729, and is now in second place. Three more subscriptions of \$500 were reported. Here is the statement:

SPOKE AT CENTRAL MEETING. The meeting for men held in the lecture room of the Association building yesterday in the interest of the campaign, was well attended. The principal speaker was C. S. Ward, international secretary of the Y. M. C. A., who is in the city to conduct the canvass now in progress to raise \$50,000 for the boys by next Wednesday.

it to hand over to the Y. M. C. A. building fund. Fan.—No, the Times baseball team is not made up of professionals. There's one thing that now worries me, it puzzles me sure enough. And that's to give his proper place to Lawyer W. A. H. Duff.

Can any one explain it. This proposition tuff? Is Duff the Barton township, Or the township Lawyer Duff? If the Kinrade jury doesn't keep quiet Whitney may make it illegal to pay its expenses.

As a friend of the laboring classes, is Mr. Studholme still willing to pay two prices for hydro-electric power? If J. J. Gould knows what is going on down or up here he must feel pretty cheap at the way his money is being squandered.

What, Mr. Stewart? Never bet? Since when? Would it be too much to say that the bookies will take \$10,000 out of this town? What fools we mortals be.

Perhaps the wrong Mr. Wright wouldn't mind taking up the Mayor's challenge, or is he also one of the tin whistle sports? Do You Smoke a Pipe? A single package of the Storm King smoking mixture will convince you of its superiority, and make you a regular user.

SAFETY DEPOSIT BOXES. To rent at \$2 a year and upwards, for the storing of deeds, bonds, stocks, wills, silver and other valuables. TRADERS BANK OF CANADA.

MAN DROWNED. Loses His Life in Pond He Helped to Lay Out.

Dover, N. J., June 28.—Wm. Nugent, a civil engineer in the employ of the Delaware, Lackawanna & Western Railroad, was drowned near here yesterday in Eastling Pond, which, thirteen years ago, he and C. E. Clark, now assistant division engineer of the Lackawanna, had laid out together. With him was Mr. Clark.

Both men were fishing. In shifting seats the boat upset. Rescue was sent from the shore but not in time. Nugent went down for the last time in eight feet of water, only twenty feet from the shore. Clark was revived with difficulty. Nugent was 35 years old and leaves a wife and three children.

THE UNION COMPLETED.

Wesley and Gore Street Methodists Now "Central."

Yesterday witnessed the coming together of the congregations of Gore and Wesley Churches, and forming a united body, to be known henceforth as the Central Methodist Church. The day was most auspicious for church attendance, and certainly the members and friends of Central Methodist Church did not fail to show their deep interest in the inaugural services.

The two pastors, Rev. Dr. Tovell and Rev. I. Couch were the preachers for the day. Dr. Tovell had charge of the morning service and gave the inaugural address. The text chosen is found in Col. iv. 12: "Stand perfect and complete in all the will of God." It suggested the things that should have as her chief aim the winning of souls.

The evening congregation was addressed by Rev. Mr. Couch, who has been in charge of Gore Street the last two years. The text selected was Rev. i. 5, 6, from which he preached an eloquent and thoughtful sermon. The two services, together with a union session in the afternoon of the Sunday schools, made a specially interesting day, and marked the beginning of a commendatory union which promises good results in the years that are to come.

CAUGHT AT A GAME OF CRAP.

One Man Jumped and Had His Knee Broken.

Entire Party of 27 Colored Sports Rounded Up.

And Every One Was Fined \$5 This Morning.

The Imperial Club, exclusively for the colored people, which hangs out its sign on MacNab street, has been contributing something at court every week or so of late. In the early hours of the morning yesterday some local colored sports endeavored to show their hospitality to a number of the colored race track followers, and a game of "crap" was nicely in progress when Sgt. Finch and a squad of husky policemen swooped down upon them and rushed them off to the "coop." The police sustained their reputation yesterday, for altogether the alleged crap-shooters numbered 27, and 26 spent the day as the guests of the police at No. 3. When the police appeared on the scene the transgressors were trying to escape through the window, but only three managed to squeeze through. As the club is two-stories high the ones that did get out had not enough nerve to complete their escape, and the police had to rescue two of them, one from a sign and the other from a ledge to which they were clinging. The third one is his rush for the window forgot to stop, and fell to the pavement, broke his knee-cap and was otherwise injured.

Joseph Johnson was the unfortunate who, in addition to being injured, had to face the Magistrate. When Johnson was first picked up it was thought that he was dead. He was taken to No. 3 police station in the patrol and transferred to the ambulance. On the road to the hospital Johnson revived, and granted so long as long that P. C. Cruickshanks, who was driving, was rather frightened at first, to think that such a noise could be made by a dead man. The larger number of those arrested were from outside places, and had a good opportunity to taste the Canadian law. All day yesterday they spent their time yawning and chattering about the races, as though it was natural for them to have such boarding quarters. Hall was fined at \$20 each, and seventeen secured the necessary amount. A couple of weeks ago the proprietor of the club was in court on a charge of assault, and only a few days ago the barber who does the barbering at the club took a few highballs too many, and had to contribute a fine, so it will be seen that the club has been contributing pretty freely of late.

At the police court this morning the motley crew were arraigned before Magistrate Jelfs, charged with gambling on the Lord's day. George Kerr, K. C., appeared for them, and pleaded not guilty. Detective Sayers was called and said he had suspected that gambling was going on at the club for some time. On Saturday evening he was watching the place through one of the back windows. He could see a crowd of negroes, and they were playing some game on a billiard table. He saw money changing hands. From the exclamations and remarks which floated through the window he judged that they were shooting crap. Cries of "Shoot the two," "Shoot the four," and "Who has change?" were heard. Sayers watched the game until nearly 1 o'clock on Sunday morning, and then telephoned for a squad of police. A search of the premises disclosed a pair of dice under the sink.

P. C. Lentz was one of the raiding party, and corroborated that portion of Sayers' evidence which related to what occurred when the police arrived in the room. He also found some dice.

"Can you identify any of these men?" asked Crown Attorney Washington. "Well, they all looked pretty much alike, on account of the shade."

Rielly Peebles, a negro boy, 17 years of age, who was found in the club with the rest of the bunch, was put on the stand as a Crown witness. Peebles did not want to give evidence, but the Crown soon persuaded him that such a course would end disastrously for him. "Were these men shooting craps?" asked the court.

TO OPERATE UNDER CONTRACT OF 1908.

Cataract Company Will Begin on Thursday —St. Thomas Learning Something.

Although the City Council to-night has little business of importance to deal with outside of the power question the session promises to be interesting. At the meetings of the power committee Mayor McLaren made no reference to the insinuations in the circular issued by Alderman Wright before the by-laws were voted on. It is believed that he will bring the matter up to-night and demand of the other members of the council if they intend resting under his imputations made by Alderman Wright. The most serious statement made in the circular was to the effect that the Cataract contract was drawn by the Cataract solicitors in the interest of the company. The resolution passed by the committee on Saturday binds the city to nothing. The application for a thousand horse power is made on terms to be mutually agreed upon and these terms will have to be approved of by the council before Hamilton ties up with the commission. A rather interesting point in connection with the controversy over the price of Niagara power is the fact that, according to the commission's own figures supplied to the city, Hamilton will pay \$19.10 a horse power, no matter how smoothly things run or how close to the estimates the figures remain. Taking into account the 2 1/2 per cent. line loss on the transmission lines from the Falls to Dundas, the one to two per cent for stepping down there and the four to six per cent. loss on the line from Dundas to the Beach and making every reasonable allowance if the city contracts for a thousand horse power it will only receive 880 horse power. This divided into the \$8,523 set aside for line loss and so forth figures out at over \$9.70 a horse power, which added to the \$9.40 the actual cost per horse power makes \$19.10 the city will have to pay for every horse power it uses. This is \$3.10 a horse power higher than the Cataract, taking it for granted that the commission can supply the power at the estimate given.

ST. LAWRENCE.

Beautiful Painting and Other Gifts Recently Received.

That the good work being done by St. Lawrence Church is appreciated is shown by the fact that Rev. Father Brady is in receipt of a number of valuable gifts, in addition to those already mentioned. These include a \$100 painting from Mr. John Sullivan, sen., a gold monogram from another friend, a statue of St. Anne and a crucifix for the main altar; all of which are greatly appreciated.

Rev. Father Brady yesterday preached the annual sermon to the French-Canadian, about 75 of whom were present.

PLEADED NOT GUILTY.

Alfred Pettian, charged with stealing a watch, razor, shirt belt, pair of cuff links and a pair of silver sleeve holders from William Hendry, on June 22, was before Judge Snider this morning for election.

He pleaded not guilty and said the goods were found in his possession, but he didn't know how they got there. He will be tried by Judge Snider to-morrow at 11 o'clock.

The Y. M. C. A. should have aimed for \$100,000.

Up to date, how much have you dropped at the races?

T. J. Stewart can't be much of a sport when he won't cover that bet of the Mayor's. Didn't he say we were to get power at \$2 a horse? Now, if he would either put up or shut up, but he'll do neither. I never saw such a man.

Keep out of doors this weather as much as you can and get your lungs filled.

London's Mayor says he will see Hamilton far enough before he will allow it any special power privileges. But the Mayor is powerless in this power matter. The whole power rests with the power commission. More power to them.

Suppose you were asked to give a synopsis of the minister's sermon yesterday, what like a fist would you make of it?

The Herald has now a chance to make all kinds of money if it has the courage of its alleged convictions.

They now say that the absence of the canteen made the soldiers rush the can.

In baseball parlance, Mr. Lobb is throwing some lobs.

Figuratively speaking, T. J. Stewart has no faith in his power figures or he would reach out for some of the Mayor's coin.

The Herald shouldn't lose a minute in accepting that \$10,000 offer of its contemporary. It would be so nice to have
