HOLLOWAY'S PILLS

Let no one be longer oppressed with the notion that his malady is incurable. The purifying Pills have had a fair trial. The doses will remove the more urgent symptoms, and therefore completely control disordered actions, rouse the torpid liver, drive the obstructed kidneys, cleanse the blood, and confer on every form of healthful vigour.

Impurities of the Blood.

These wonderful Pills are valued at the humblest hearths as well as in the house of comfort and wealth. They work a thorough purification throughout the whole system without disordering the natural action of any organ, and eradicate those germs which consign tens of thousands to an early grave.

Indigestion, Bilious Complaints and Sick Headache.

No organ in the human body is so liable to disorder as the liver, and none is more apt, when neglected, to become seriously diseased. Remember when nausea, flatulency, or acidity on the stomach warns us that digestion is not proceeding properly, the Holloway's Pills regulate every function, give strength to every organ, speedily remove all causes of indigestion, bile, and sick headache, and effect a permanent cure.

Weakness and Debility.

In cases of debility, languor and nervousness, generated by excess of any kind, whether mental or physical, the effects of these Pills is in the highest degree invigorating, and restorative. They drive from the system the morbid causes of disease, re-establish the digestion, regulate the secretions, strengthen the nervous system, raise the patient's spirits, and bring back the frame to its pristine health and vigour.

Turn of Life and Dropsical Swellings.

The turn of life is the most distressing period in woman's existence; it distresses thousands. The whole of the gross humors collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain antidote for all these dangers is Holloway's Pills. Armed with them the fiery ocean is passed through, and the sufferer is once more restored to the possession of his natural health. It is but little known that at the so-called "turn of life," man also, when verging on fifty or fifty-five, discovers that his health is considerably deranged, and knows not the cause—a critical period in his life. All perils to both sexes are at once removed by recourse to these Pills.

The Kidneys—their Derangements and Cure.

If these Pills be used according to the printed directions, and the Ointment applied over the region of the kidneys at least half an hour at bed time, as soon as it is forced into meat, it will penetrate the kidneys and correct any derangement. Should the affliction be stone or gravel, it is particularly recommended that the Ointment in such cases, be used night and morning, by its judicious application the most astonishing cures may be performed.

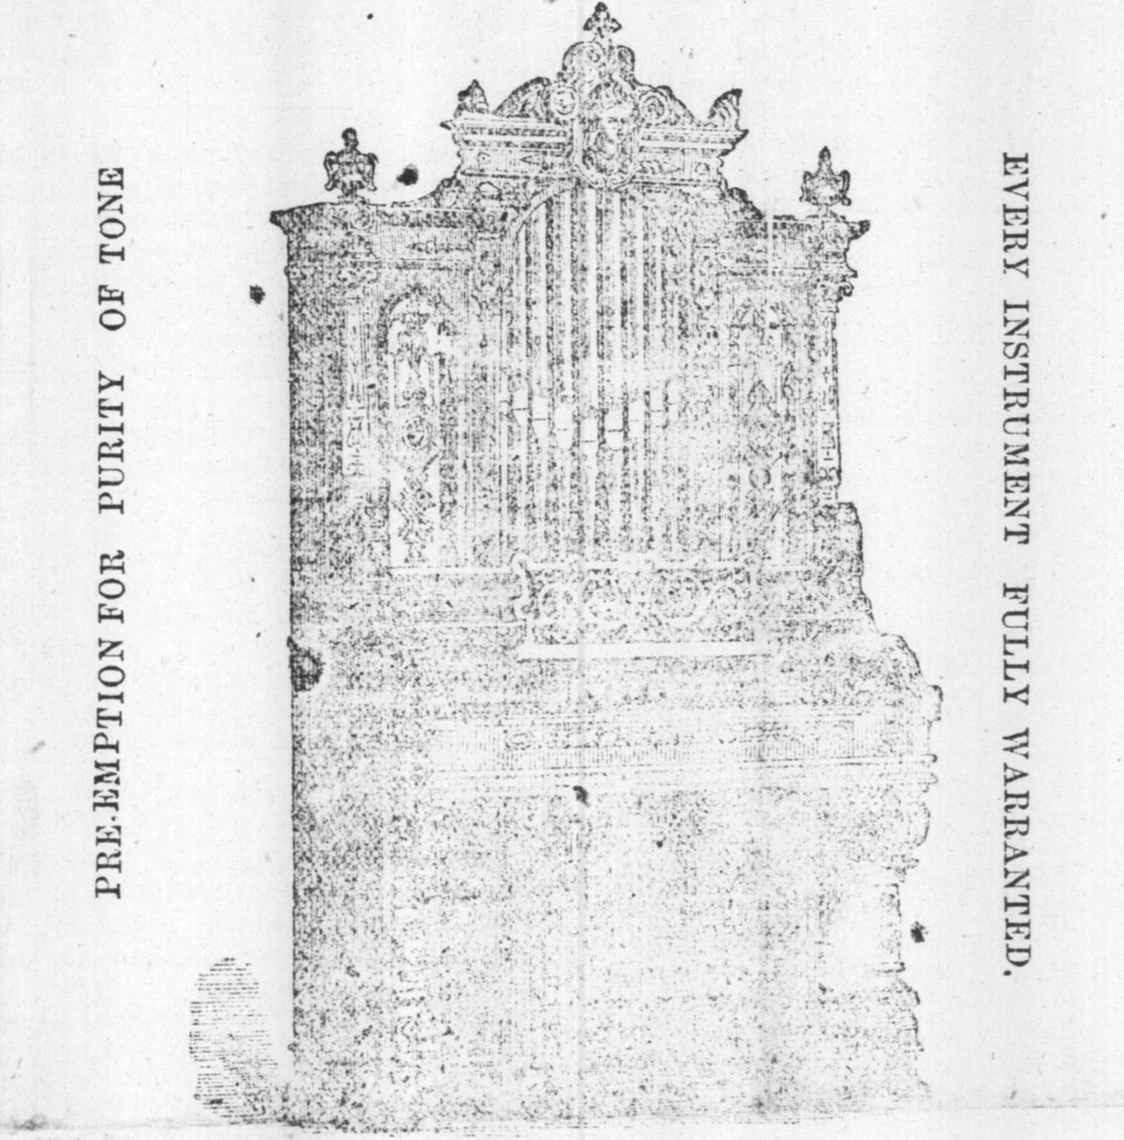

Holloway's Pills are the best remedy known in the world for the following diseases: Ague, Rheumatism, Retention of Urine, Bilious Complaints, Scrofula, or King's Evil, Sore Throats, Stone and Gravel, Secondary Symptoms, Female Irregularities, Tic-Doloureux, Fevers of all kinds, Ulcers, Venereal Affection, Gout, Werns of all kinds, Headache, Weakness from whatever causes, Indigestion, Liver Complaints, Lumbago, Piles.

The Pills and Ointment are sold at Professor Holloway's Establishment, 53, Oxford-st., London; also by every respectable Vendor of Medicine through the civilized world in Boxes and Pots, at 1s. 1/4d., 2s. 1/4d., 4s. 1/4d., 11s., 22s., and 33s. each. The 2s. 1/4d. contains three, the 4s. 1/4d. six, the 11s. 1/4d. sixteen, the 22s. size thirty-three, and the 33s. size fifty-two times the quantity of a 1s. 1/4d. Box or Pot. The smallest Box of Pills contains four dozen; and the smallest Pot of Ointment one ounce.

Full printed directions are affixed to each Box and Pot, and can be had in any language, even in Turkish, Arabic, Armenian, Persian or Chinese.
