Tonsillitis, Sore Throat, Chest Colds, Can be Cured Over Night

They Vanish Quickly if Nerviline is Well Rubbed in

When the throat tickles, when it hurts to draw a long breath, when you feel as if a knife were stuck in your side; it's time to draw out the congestion that will soon become pneumonia.

An ordinary cough syrup has no chance at all—you require a powerful penetrating liniment.

Nothing is known that possesses more merit in such cases than Nerviline.

Rub it liberally over the sides and chest—rub it in hard.

The warm, soothing effect of Nerviline will be apparent in five minutes.

Nothing like it for quick relief—takes soreness out of the throat in one rubbing—breaks up the chest cold, draws out the inflammation, stops the cough quickly.

Rub it on for rheumatism—it destroys the pain—drives it right away. Try it for stiff muscles—it works miracles in just such cases.

Give Nerviline a chance on your neuralgia, prove it out for lumbago, see what it can do for sciatica.

No pain-relieving remedy compares in power to cure with Nerviline. Largest sale in Canada of any liniment for nearly forty years. The reason is plain, it satisfies every time.

The large 50 cent family size bottle is more economical than the 25 cent trial size. Sold by dealers everywhere, or the Cattarhzone Co., Kingston, Canada.

Stomach Troubles Quickly Cured

People go on suffering from little stomach troubles for years, and imagine they have a serious disease. They over-eat or over-drink and force on the stomach a lot of extra work, but they never think that the stomach needs extra help to do the extra work. If these people would take Tonicline Tablets regularly they would be a great big help to the stomach in its strain of over-work. No matter what you eat or drink Tonicline tabs sweeten your sour stomach and stop gas bloating in five minutes. The heaviness disappears, and the stomach is greatly aided in its work of digestion.

TONICLINE

Tablets not only promptly relieve all distress, but if taken regularly will absolutely cure indigestion by building up the stomach and make them strong enough to digest the most hearty meal. \$1 for a 50 days' treatment.

Something Original— that's the Cry of Every Buyer of Printing

If every print shop could or would work character into their product there wouldn't be such common place printing.

We'll be glad of an opportunity to prove to you that when your printing is placed with us, there will be character to it.

Our new type faces will do that alone, but there will be more than up-to-date type faces. There will be care taken in the arrangement of the type—good ink will be used—the proper paper for the work will be selected, and printed in the largest and most modern country printing office in the Maritime Provinces.
