

Always the Same

"Beaver" Flour is as uniform in quality as a minted five dollar gold piece. Its proportions are as accurately fixed, and as scientifically determined. The wheats used in milling "Beaver" Flour are analyzed—and the percentages of gluten, starch etc. are found by chemical tests.

We know—

from years and years of experience—just how much western spring wheat to add to the choicest Ontario winter wheat—to obtain the desired strength.

BEAVER FLOUR

Equally good for Bread and Pastry. Milled of Blended Wheat.

This is why "Beaver" Flour always gives good results—why it requires less shortening—why everything you make with it has a flavour that you cannot get with western spring wheat flours. Try "Beaver" Flour yourself for both Pastry and Bread—you'll find it equally good for either, and best for both. Remember, to insist on having "Beaver" Flour—the original blended wheat flour.

Rev. L. H. MacLean Inducted

St. James' New Pastor Royally Received by His Own People and the Community

The induction of Rev. L. H. MacLean of Strathlome, Cape Breton, for ten years pastor at Truro, N. S., into the pastoral charge of St. James Presbyterian Church, Newcastle, took place on Thursday evening, in the presence of a large congregation.

Rev. A. J. MacNeill of Doaktown preached the sermon from II Corinthians V. 20: "We are Ambassadors for Christ, as though God did beseech you by us."

Rev. John Harris of Chatham, who presided, narrated the steps taken to call, which had been unanimous, no other name having been mentioned.

Rev. Alex. Firth of Douglastown addressed the new pastor.

Rev. Dr. Wylie of Chatham addressed the people, speaking from the text: "Arise, let us go hence."

At the conclusion of the service, a reception for Rev. Mr. and Mrs. MacLean was held in St. James Hall.

Rev. Dr. Harris presided. Miss Dorothy Nicholson gave a reading, Dr. Harris a song, and Messdames J. W. Miller and D. R. Moors a duet; addresses were given by Rev. W. J. Bate of the Anglican Church; Rev. S. Gray, Baptist; Rev. Dr. Dr. Squires, Methodist; and Rev. L. H. MacLean, after which refreshments were served. The hall was completely filled, and a very pleasant time was spent.

The Only Medicine For Little Ones

Once mother has used Baby's Own Tablets for her little ones she will use nothing else. Their use teaches her they are absolutely safe; that they never fail to give relief and that the little ones do not dread taking them as they do castor oil and other harsh purgatives. Concerning the Tablets Mrs. John M. Weaver, Blenheim, N. B., says: "I have used Baby's Own Tablets for the past ten years and have found them so good I always keep a box in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Farmers of N. B. Meet

Important Resolutions Adopted—French Language to be Used in Future

The 42nd annual meeting of the Farmers and Dairymen's Association of N. B. met at Fredericton last week.

James Heman reported for Northumberland. A late spring retarded seeding. Hay crop was good. Grain harvesting was under difficulties. Wheat and oats were poor. Potatoes had poor yield but increased acreage yielded many potatoes for export. Turnips were a fair crop. Vegetables were good. Live stock was not up to the average on account of the scrub areas. Sheep not increasing, dogs being the cause. Poultry not given much attention. Seed wheat has been bought by the county council to the extent of two carloads. Farmers opposed to Daylight Saving.

The Convention asked both governments to guarantee the farmers twenty cents a lb. for pork the next two years; and the local to grant a bonus of 25 per cent on gang plows, or tractors, bought, and regulate the running at large of bulls and dogs; opposed the daylight saving scheme; favored admission of the French language to the Convention; asked for restriction of the sale of oleomargarine; requested more advanced vocational instruction in the schools.

The potato report showed that in Highland 474 bushels of Cobblers had been raised to the acre, with lowest yield \$71. In Chatham the Cobblers yielded 285 to 215 bushels per acre.

Among the officers elected are: Pres., C. M. Anderson, Sackville; Sec., C. M. Shaw, Harland; Vice-Pres. for Northumberland, W. M. Johnston, Chatham Head.
