

## Local and General News

**LEGISLATURE OPENS**  
The N.B. Legislature opens on Thursday, March 6th.

**UV 201 A Radiotron Valves and Radio B. Batteries for sale at The STOTHART MERCANTILE CO., Limited.**

**REMOVED TO NEW STAND**  
Mr. E. J. Morris, the popular Newcastle druggist, has moved his store to the Morrison Building next door to his former place of business.

**ASH WEDNESDAY**  
Tomorrow, March 5th is Ash Wednesday, the first day of Lent. Good Friday falls on April 18th; and Easter Sunday on April 20th.

**CARD OF THANKS**  
The Newcastle Hockey Club wish to thank the Kink Management, the Band and Patrons who attended the Carnival on Wednesday evening, Feb. 27th.

**PRESBYTERY MEETING**  
The Presbytery of Miramichi is in session today at St. James' Hall, Newcastle. Many important matters are to be considered, including the calls to Rev. W. McN. Matthews and Rev. B. H. Penwarden.

**KIDDIES' CARNIVAL**  
A Kiddies' Carnival under the auspices of the Miramichi Hospital Aid will be held in the local rink on Friday evening, 7th inst. The public is requested to be on hand to enjoy the evening and assist the Hospital in its worthy work at the same time.

There was some discussion at the Sewing Circle this week about the local broadcasting station. The wife of the new B. N. Manager said that if she were doing it, her first message to other communities would be that if they wanted good coffee for breakfast every morning, they must always use LUXOR ORIENTAL COFFEE, which is sold in 1/2 and 1 lb. tins only.

**CURLING NOTES**  
The Lawlor Medal match between Newcastle and Chatham will be played in both towns today, 8 rinks aside. The Newcastle skips chosen to play are: C. Sargeant; A. J. Ritchie; R. Galloway; John Russell; H. B. Cassidy; D. S. Creaghan; A. S. Demers; and Wm. Gifford. The match for the Jardine Cup will be played in Newcastle. On Thursday, 4 rinks from each club; two in the afternoon, and two in the evening. The Newcastle skips are John Sargeant; Wm. Gifford; P. N. Brown and John Kus sell. The Newcastle skips chosen to play Campbellton for the Archer Cup at a date to be named later are A. J. Ritchie and A. S. Demers.

### SINKS AND DRAINS

Use a little of Gillett's Eye when the kitchen or bathroom drains are clogged. It works wonders! Use it also for cleaning and disinfecting Closet Bowls; for softening water, making soap, cleaning dirty floors and greasy utensils. It has over 500 different uses and a can should be kept handy in every home. Avoid costly and dangerous substitutes. Insist on the genuine.

**GILLETT'S 100% PURE FLAKE EYE**

## RHEUMATIC PEOPLE CAN FIND RELIEF

By Enriching Their Blood with Dr. Williams' Pink Pills

Rheumatism attacks people when the blood is clogged with impurities thus setting up an inflammation of the muscles and joints. Cold or wet weather may start the tortures of rheumatism, but it is not the cause as was once supposed. The cause is thin or impure blood. Rubbing with liniments or applying hot applications may give relief, but that is all; the pains are soon back again. You must treat the trouble through the blood to get rid of it. The value of Dr. Williams' Pink Pills in cases of this kind is proved by the following statement. Miss Margaret M. Cullen writing on behalf of her grandmother Mrs. A. McEwen; Ormstown; Que. says: "My grandmother now 85 years of age was some years ago, a great sufferer from rheumatism. She tried many remedies, but found none that did her any good until she began using Dr. Williams' Pink Pills. These she used for some months until every trace of rheumatism disappeared. Since then she has taken the pills at intervals, and they have kept her in the best of health. It is marvelous how well and active my grandmother is. She cooked the dinner for the threshers last fall, and she gives the credit for her good health to Dr. Williams' Pink Pills. She is anxious that her experience with this splendid medicine be given for the benefit of others."

If you are suffering from any trouble due to poor or watery blood Dr. Williams' Pink Pills will help you. If your dealer does not keep these pills you can get them by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Have you seen our new stationery? **WELDON & Co.**

**SUCCESSFUL TEA**  
Mrs. Hedley T. Atkinson of Chatham Head held a ten cent tea at her home on Thursday evening. A very enjoyable evening was spent in games and music. Proceeds in aid of Flanders' Lodge amounting to \$8.25.

**CAME IN LIKE A LAMB**  
The month of March came in last Saturday like a lamb. The day was bright and springlike. If the old adage holds true, we may have some rough weather during the last of the month.

Chicago Herald and Examiner for Sale only at

**WELDON, & Co.**  
**FIRE ALARM**  
The Fire Department was called out yesterday morning at 11 o'clock for a fire on the roof of a building on Mitchell street owned by Mr. James Stewart and occupied by Mr. John Kitcher. On the arrival of the Fire Department the blaze was soon extinguished and slight damage was sustained.

**BRIDGE PARTY**  
An enjoyable bridge and auction party of fourteen tables was given by Mrs. J. D. Paulin at her home on Thursday evening last in aid of the new St. Mary's School Fund. At the close of the play refreshments were served. The prize winners were: Bridge; Gentlemen—Mayor D. S. Creaghan; Ladies—Mrs. D. S. Creaghan.

**Auction; Gentlemen—Mr. A. D. Young; Ladies—Miss Jessie Young.**  
Ladies' Social at the St. Thart Mercantile Co., Limited.

## Here and There

The gold mines of Northern Ontario broke all previous records in the month of January, when they produced approximately \$2,100,000, based on preliminary reports received from the mines.

It is reported that arrangements have been made for the financing of a \$500,000 plant in Edmonton, Alta., for the manufacture of paving blocks from the tar sands of Fort McMurray.

The first of the private fur auction sales which the Hudson Bay Company has decided to hold in future at their head office in Montreal took place recently, when a collection of various furs, estimated roughly at \$25,000 to \$30,000 value, was put up for sale by sealed bids.

Grain handled at the port of Montreal in 1923 totalled 120,013,938 bushels, the largest amount shipped through any port in North America during the year. Montreal thus maintains for the third consecutive year her position as the leading grain exporting port of the continent.

Dr. Geo. H. Locke, chief librarian, Toronto, at the request of the Canadian Authors' Association, has undertaken to supervise the selection of volumes for the Canadian literature exhibit at the British Empire Exhibition. The task involves the gathering together of 500 representative books and it is anticipated will take about a fortnight.

From all indications, the potato shipments to Havana this season from the port of St. John, New Brunswick, will greatly exceed those of last year. To date there have been 750,307 bushels sent forward in twenty steamers, while from September 1, 1922, until January 31, 1923, a total of 505,568 bushels were shipped in seventeen steamers.

With heavy enquiries from South American sources for Canadian flour, millers expect to see their export volume substantially increased during the month of February, as compared with January. This movement, together with offerings of a premium for wheat at Vancouver, has been the most encouraging trade feature of the past month in Winnipeg, Man.

Colonel Geo. H. Ham, of the Canadian Pacific Railway, who recently returned from Florida, reports that Canada was prominently featured at the South Florida fair, held at Tampa some time ago. A very striking exhibit of Canadian products and natural resources was displayed and a "Canada Day" was celebrated, all of which is said to have been a revelation to those who attended.

Buffalo meat from the park at Wainwright has recently been on sale throughout Canada and has been extremely well received. It is described as resembling beef but of a more gamey flavor. Government officials expect that this meat, with hides and other buffalo products, will become a regular source of income to the people of Canada in the future.

Work on the Kenogami dam, in the Province of Quebec, is reported as progressing very well and the \$2,000,000 work located at the upper part of the Saguenay River are expected to be completed within 15 months. As a result of these works, the mills operated by the Price interests will be kept in full activity during the whole year, instead of partly closing down in the winter months, as they have had to do in the past.

More than \$12,000,000 worth of equipment was added to the Canadian Pacific Railway's service during 1923. Included were 16 Pacific and 20 Mikado type locomotives, all very powerful and equipped with the most modern devices for power, speed and economical operation. Other items were 15 steel baggage cars, 12 mail and express, 15 first class coaches, 6 cafe-parlor and buffet-parlor cars, 1,000 box cars, 250 freight refrigerator cars, 300 coal cars, 50 oil tank cars, 300 automobile cars, 36 vans for freight conductors and 14 snow-ploughs.

The seventh of Canada's directional stations was recently completed for service by the branch of the Department of Marine and Fisheries, to assist the boats and ships navigating the Bay of Fundy and the coastal waters extending to Boston. This station tends to make the route favored by the Canadian Pacific steamships in winter, already splendidly equipped with safety devices, still safer. By means of the apparatus, the wireless operator of any ship in distress within 400 miles of the Canadian shore can find his location simply by pressing a spring. These stations have been described as "a Godsend to the mariners."

There is just one thing that the public talk about in connection with tea and that is its flavor. The reason why everybody talks so much about MORSE'S SELECTED ORANGE PEKOE, it is not because it is named MORSE'S SELECTED ORANGE PEKOE, but because it is the tea which is known to possess the best flavor of any tea on the market.

**BURIAL POSTPONEMENT**  
Owing to the illness of Mr. F. J. McNeil, of Vancouver, B.C. who expected to leave for Newcastle on Feb. 29th with his late mother's remains, Mrs. Matthew Binnett, the burial has been necessarily postponed until a later date.

## AN IMPORTANT USE FOR ALUMINUM

Because tea deteriorates very rapidly if exposed to air, many tests and experiments have been made to find an effective means of packing it so as to preserve the flavor. The "SALADA" Tea Company first used lead packages but some years ago adopted aluminum foil, as being more durable and lighter than lead, besides of course being absolutely clean and air-tight. This method of packing is admitted to be the best to preserve the flavor of tea. All "Salada" is sold in air-tight aluminum packages.

The Catholic Women's League will hold a Food Sale Saturday afternoon, March 8th in the Quigley Building, recently vacated by Mr. W. L. DURICK.

You first realize what SCOTT'S EMULSION is, by the strength it brings
