LADIES' CORSETS

New 1913 Styles, offered at Sale Prices.

During this Great Sale our entire stock of high-class D. & A. Corsets has been reduced in price. These Corsets have ably maintained their reputation for quality and style, and it can be said of them that they perform the Corset's true mission—that is, supporting the frame without any injurious pressure on the vital organs, allowing freedom of motion, and unlimited breathing space. Notwithstanding the great demand on this Department during the last few weeks, we have still an unlimited supply on hand, including a large consignment of Spring 1913 Models. These arrived earlier than expected. Rather than put them in reserve we decided to place them on our

Sale Counters. This is the reason why we are offering you
