Whole Country

Astonished at
Gains in Weight

Remarkable Results From Tak-
ing Tanlac is Big Surprise to
Newfoundlanders.

The one feature that stands out
more prominently than any other,
perhaps, in connection with the in-
roduction of Tanlac in Newfound-
land is the very large number of men
and women who have reported an
astonishingly rapid increase in weight
as a result of its use.

Only a short time ago G. M. Barris,
of 9 Barnes Place, St. John's, re-
ported a gain of twelve pounds in
the use of four bottles of Tanlac.
Shortly after this Mrs. A. Churchill,
residing at 12 Chapel street, reported
that she had gained ten pounds on
only two bottles.

One of the latest to realize the re-
markable reconstructive powers of
the medicine is Jonah Chafe, of 237
Water Street West, who called at
Connors' drug store November 20th
and besides reporting a gain of
twenty-three pounds, stated that the
medicine had relieved him of a case
of rheumatism from which he had
suffered for nearly five years.

"I have actually gained twenty-
three pounds," said Mr. Chafe, "but
I am not surprised at this wonderful
increase in weight, for I have been
eating like a bear and picking up
rapidly ever since I finished my first
bottle of Tanlac. I have also gotten
rid of a case of rheumatism in my
knees, hips and shoulders, which be-
gan troubling me four and a half
years ago, and had gotten to be so
bad that for several months before I
began taking Tanlac I couldn't do a
lick of work. Sometimes I would
have such sudden and severe attacks
of pain that I could hardly stand it.
For four years I was with the British
Navy as gunner's mate, and many a
time I was in such agony that I just
felt like jumping in the sea and end-
ing the suffering I had to endure from
that rheumatism. Since last August,
that is until Tanlac straightened me
out, the pain in my knees was so se-
vere I could not stand to bend them,
and for weeks at a time I couldn't
move my shoulders without just suf-
fering torture. My head often ached
fit to burst. I always had a very bad
taste in my mouth, and I could not
eat anything but what caused a heavy
feeling, like lead, in the pit of my
stomach and gave me indigestion the
worst kind.

"My normal weight is one hundred
and twenty-five pounds, but I had
dropped down to only one hundred
and two and was still losing. But
Tanlac has put me right back to
where I was before the rheumatism
started on me, for now I balance the
scales at one hundred and twenty-
five pounds, my old weight, and the
rheumatism is entirely gone. I had
gotten so nervous that I was the
time fidgeting around. I would lie
awake, tossing and rolling, night
after night, never getting a wink of
sleep, but now my nerves are per-
fectly calm and I rarely ever wake
up the whole night long. My friends
all know how Tanlac has helped me,
and I want everybody to know the
facts. I am just like a man made new."

Tanlac is sold in St. John's by M.
Connors, under the personal direction
of a special Tanlac representative;
in Harbor Buffet, by Thomas Wakeley
& Sons; in Placentia, by James Mur-
phy & Son; and in Topsail, by J. K.
Bursell.—adv.
