

**Teck-Hughes Gold!**

This is a Northern Ontario Gold producer and one of the stocks we have persistently recommended for months past. Issued capital \$3,878,000 par \$1. It owns 120 acres in the famous Kirland district and a fully-equipped mill, present production being around \$3000 every 24 hours. Last year this stock sold down to 33c. while it is now 87c. and should soon easily cross par. Dividends are being discussed and any favorable action will materially boost this stock.
