GOOD CROWD

London Township Fair Scores the Usual Success.

Every Department of the Show Was Up to Standard.

Good Music and Good Sports—Results of the Races—The Prize-List.

London Township Fair was held at Ilberton yesterday, and was a decided success. About 1,500 people were present. The Melbourne Brass Band rendered a capital programme of music, which was greatly enjoyed by the crowds. The weather was cloudy in the morning, with a strong northwest wind, and very cold; but by noon the clouds cleared away. The live stock was a fine lot of animals. The poultry show was above the average in quantity and quality. The dairy, horticultural, agricultural, ladies' work and fine art exhibits were very good. Great interest was taken in the races. The free-for-all and farmers' trot were both well contested. As usual there were a number of fakirs on the grounds. Numerous Londoners patronized the fair, but no doubt the cold northwest wind prevented a number from going. Take it all around, the fair was a success.
