Buy Linens Now

One of the shrewdest investments a housewife could make is to buy a big stock of Lineus for future requirements while our January Linen Sale is in progress.

Linens have advanced considerably during the last year and will advance again during the next twelve months. At regular prices it would be a wise investment to buy Linens now, but when our present reasonable prices are reduced—as they are during our January Linen Sale-then the investment is indeed an exceptionally good one.

Today, we ask your attention to a few table linen inducements that are decidedly worth while taking advantage of.
